COUNCIL BYLAWS CHANGES

The bylaws require sixty days notice of the
intent of the Council to adopt any changes
to the bylaws. At the April meeting, several
topics will be discussed concerning changes:

1. Provision for authorizing alternate representatives to the Council.
2. Acceptance to the Council of one u. of the Civil Air Patrol that is interested in participating on Council-type operations.
3. Incorporating the Council.

INCORPORATION

Those present at the March Council meeting authorized the formation of an incorporated group called SEARCH AND RESCUE COUNCIL, INC. (S.A.R.C.I.) It is anticipated that this group will exist by the time of the April Council meeting, which will permit the Volunteer Council to officially change over if approved.
