NEWS

SARA MAY PROGRAM

SARA has a collection of slides from past searches and rescues available to our members (on loan only) for public education in outdoor safety. These have been carefully selected in order to give the public a well rounded "bird's eye view" of the usual and unusual technicalities we are involved with during S&R missions. You probably didn't notice photographers at work capturing pictures of you walking with the stokes, setting up a haul system, tracking, doing a patient survey, etc. Come see why the public is so impressed.

SARA CALLSHEET

A new SARA callsheet will soon be out. Please contact us if:

1. You wish to make any changes in the listing of your phone number(s).
2. You carpool and with whom you carpool.
3. You are on first call standing and wish to be moved to "second call only" or vice versa.
4. You wish to actively participate in "limited call-outs" (status regarding notification of a "limited call in progress" should be arranged with your "caller").

The deadline is June 15th, 1981. The correct information for callsheets comes from YOU! Kathy Simons (881-6775 after 5:00 P.M.), Mykle Raymond (795-2303 after 5:00 P.M. or on pager 791-8629) or Doug Marcoux (886-7194 answering machine). Or, contact us at any SARA meeting.

SARA DUES

At the time you pay dues you must provide information regarding the type of first aid you have completed or are currently enrolled in, advanced first aid, ect, and the expiration date of this first aid. Please bring your first aid card for verification.

The dues set by the Board of Directors for this fiscal year continue to be \$7.00 until the adjournment of the first general meeting in June. At that time, the dues for this fiscal year will be raised to \$10.00. If dues are not paid within a reasonable time (the exact date will be available at the May General Meeting, and in your next newsletter), the Board of Directors will enforce Article XI, Section 3 of the SARA By-Laws.

"Article X. Fiscal Year: The fiscal year of the corporation shall begin on the first day of April and end on the last day of March in each year."

News, continued

"Article XI. Dues, Section 3. Default and Termination of Membership:
When any member shall be in default in the payment of dues for a period of two months from the beginning of the fiscal year or period when such dues became payable, his membership may be terminated by the Board of Directors in the manner provided in Article II, Section 5, of these By-Laws."

First Aid

HAS YOUR FIRST AID CERTIFICATION EXPIRED??.... The never-ending job of updating First Aid records has placed me in the position, again, of asking ALL personnel to contact me regarding their First Aid expiration dates. Thus far, only 2% of the field-qualified members have done so. As of May 1, 1981, all "callers" will be furnished with the names of persons no longer eligible for field operations due to expired First Aid (according to SARA's records). Therefore, as of May 1, 1981, if you suddenly stop receiving S&R calls you will know the probable reason. PLEASE call 881-6775 (between 7 P.M. & 9 P.M.) or check with me at any SARA meeting. Kathy Simons. ** If you can't reach Kathy, leave a message on George Price's answering machine.

ADVANCED FIRST AID CLASSES

Sandy Riback is keeping a list of people interested in taking Advanced First Aid. When enough people have signed up, a class will be scheduled. Call Sandy at 298-5780 (h.) or 791-6793(w.).

★CALLOUTS★

** Please submit all receipts for reimbursable expenses to Dolores Bartholomew, 8082 E. Coronado Road, Tucson, AZ, 85715, within seven (7) days of an operation. Receipts must include your name, mileage, number of gallons, and appropriate callout information. Reimbursable expenses include gasoline used during a callout and items lost, stolen or damaged. Items other than gasoline need a written description including age and how it was lost. Reimbursements are at the discretion of the Sheriff's Department, and ONLY AVAILABLE FOR SEARCHES AND/OR RESCUES.

Limited Callouts -- Council Policy

"Limited calls" or "stand-by calls" may be used where a "full callout" is not justified. In contrast to a full call requesting all personnel to respond to an incident, a standby call requests personnel to prepare but not to respond until a full call is received; a limited call may be used when a few specialized people are needed. In the event of a limited call involving one or more volunteers, a standby call will also be made to alert all volunteers.

<u>Date</u>	<u>Situation</u>
Thursday-Saturday, Apr. 2-4	Search for 5-year-old boy, Colorada Lewis, vicinity of I-10 and Ruthrauff.
Sunday, Apr. 5	Continuation of search for Colorada Lewis with Divers.
Saturday, Apr. 11	Continuation of search for Colorada Lewis. Limited call. Body found in the house has been tentatively identified as Colorada Lewis.
Saturday, Apr. 18	Male with dislocated shoulder and fractured ankle, Tanque Verde Falls, under the influence and obnoxious. Immobilized and brought out in Stokes.
Sunday, Apr. 19	Dehydrated male hiker in Upper Sabino. Call was eventually cancelled.

NOTE: No other training information was submitted. To determine any training your group may have, please contact your training coordinator directly:
