Pima County
S&R:

At the March general meeting we will vote on the proposed by-laws and unit rules and regulations revisions. These revisions were proposed by Arlen Liberty's Steering Committee at the February general meeting. They are intended to better define the requirements for, and specific abilities of the various levels of membership in our unit. Copies of the revisions will be available at the meeting.

Under Communications, it was reported that the Arizona State S&R was granted a license on 155.160. The Council is considering charging the groups \$3 per pager to cover the service contract on the maintenance of the pagers.

A vote on the By-Laws changes from 45 days down to 15 days failed because it did not get the necessary two-thirds vote.

On March 28 we will need a S&R display at the Gilbert Ray Campgrounds. Anyone interested may contact Michael McDonald at 889-9048. Set-up time will be from 8 a.m. to 10:30 a.m. Participants will meet out front of the Gilbert Ray Campgrounds. All vehicles not being used for display will be in designated exhibitors' parking lot. Call Michael for further information on show-up time.
