News

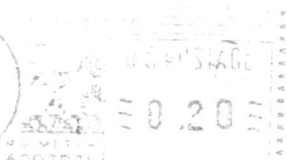

SARA Members: The SARA callsheet will be implemented on 9 June. Call Kathy Simons (after 5 p.m.) or Mykle Raymond with changes. If you want to be called, be sure your numbers are correct!! U of A numbers have just changed!!!

NOTES AND SPECIAL THANKS TO:

Paul Howe, Tom Faulkner and all those people who worked at the Pima County Fair. Is it true Tom and Paul are going into the flag pole paint and repair business?

Those persons wishing to work on SARA training this year, please contact James Gilbreath at 792-0775. The first training committee will be Tuesday, May 17, 1983, at 7:30 p.m.

Special thanks to Norm Hosterman and the people of Tucson Driveline for installing a new 4-speed transmission in the SARA van.

SUNDAY, MAY 15

LOCATION: SPENCER CANYON RECREATION AREA (shortly before M.P. 22 on the Catalina Hwy.)

TIME: 8:00 AM (Starting times begin at 8:00 AM but you can arrive as late as 11:00 AM and still compete.)

DETAILS: 2 Courses -
Long Course - 3-4 miles w/10-12 controls
Short Course - 1-2 miles w/6-8 controls

Competitors will be started at 3-5 minute intervals, receiving a course map immediately before starting. Using this map and a compass, each participant will complete the course in as short a time as possible, punching in at each control in order along the way. The courses will test each person's navigational abilities as well as running abilities although it is perfectly OK to walk the course if you prefer. For the most part, contestants will be traveling cross-country without the aid of trails. The ground cover is variable, some places needle covered, other places rocky, so sturdy running shoes or lightweight hiking boots are advised. At the culmination of the day's activities, recognition and non-monetary awards shall be presented to the winners of each category.

PRE-MEET CLINIC:

For those unfamiliar with orienteering meets, a pre-meet clinic shall be held to familiarize participants with meet procedures as well as offer tips on how to orienteer effectively. This clinic will begin at 9:00 AM and last 1-1 1/2 hours. There is no fee for the clinic if you wish to attend it but not compete on the courses.

REGISTRATION:

There is an entry fee for competitors to cover the cost of the meet-- maps, course materials, prizes, etc. You can save by pre-registering before May 10. To do this send the entry fee to:

John Maier, Meet Co-ordinator
P.O. Box 42375
Tucson, AZ. 85733

You will then receive registration materials by mail. By pre-registering you allow us to better anticipate the numbers attending so we can plan accordingly which saves us money, thereby saving you money.

Entry Fees: Pre-registration (before May 10) - \$3.00 (students \$2.00)
Late registration (after May 10) - \$3.50 (students \$2.50)

ADDITIONAL INFORMATION:

A limited number of compasses will be available for rental at the meet site (rental fee: \$1.00). It is recommended that participants carpool with one another due to limited parking at the meet site. Call if you need this arranged for you. For further information call John Maier at 623-9791.
