NEWS:

Congratulations to those Posse members who completed the First Aid class given by the S.O. during September.

The September trail outing from the top of Mt. Lemmon down Romero Pass Trail and back through Wilderness of Rocks to Lemmon Rock Lookout offered some of the best views I've seen all summer -- lots of water in the canyon bottom -- sunshine on the rocks, storm clouds with good sound effects but few raindrops and even a stretch of fog along the ridge -- something for every taste! We have a chance to go back [all downhill this time] Oct. 29 - bring warmies!

State SAR medical committee is working for a new augmented EMT license - rescue EMT - qualifying volunteers to start an IV, one or two medications, and perform some other basic procedures. Ask George Simons or Jim Gilbreath how to have input on this idea which is still in the planning stages.
