In their January Board meeting the POSSE discussed the upcoming Rodeo March 1-4. The Posse wishes to announce that the Chuck Wagon is now ready to go and on stand-by. The Posse horse show had a good turn out from contestants and working membership. Thanks to WALTER PICKETT and DAVID WAINE for providing EMT coverage at the horse show.

All of us wish to express our gratitude to BILL PROUT for his work as chairman of the Posse Search and Rescue Division.

Congratulations to BOB MCCORD who has obtained the CAP Radio Operator's Certificate of Proficiency.

"AVAILABLE PERSONNEL" PAGE: This implies a stand-by for non-responders due to SARCI's preference to notify all people when personnel are in the field.

THE THIRD ANNUAL PROMINENT POINT HIKE started up the ridge between Finger Rock Canyon and "Campbell Cliffs Canyon" up to the west Prominent sighted the flashes even though the mirror was small and the sun only hazy. From the saddle north of Prominent Point we crossed Finger Rock Canyon, going to Linda Vista from where we contoured into Pontatoc Canyon returning to our starting point after dark thanks to an assist by Randy Trowbridge who shuttled the hikers back to their vehicles at the end of Campbell. This was a beautiful hike which included the sighting of wildlife along the way. It was well worth the effort (and getting up New Year's morning).
