SARCI NEWS:

SARA President, George Simons, wishes to remind us all that summer is here. Hot temperatures and low humidity means that our consumption of water will be high. Be sure to carry plenty with you on call outs.

The Posse has elected Skip Arnett as their new captain. They wish to express their thanks to Tim Hiple for two years of service in that position. Look for the Posse in the Fourth of July Parade at Reid Park.

On April 19th Neotoma Squadron was again requested to locate an ELT detected by SARSAT and believed to be in the Silverbell Mine area. En route the signal appeared to be from the Pinal County Airport and the ELT was located in an aircraft parked there, probably activated by the high winds of that night.

COME ONE COME ALL: Going away party for DM Helicopter crews, 5:00 p.m. at the Palmers. Bring meat to barbecue and a small covered dish to pass. Swimming available. The crews are leaving the end of June. This is our last chance to say thanks for a job well done. We're going to miss them.

Call Mykle's machine for updates on information and current call out news--795-2303.

SARA dues must be paid by July or overdue members will be dropped by Board action. If you have not yet paid your dues, get that \$5.00 to Dave Brown.
