SARCI NEWS:

We all join in sending our warmest thoughts and best wishes with two of our more experienced members who will be leaving the Tucson area mid-January. Don Morris' archeological talents will be utilized at Channel Islands National Monument as he does underwater surveys of shipwrecks. John Bownds is heading for Oakridge, Tennessee to do environmental impact studies. They have both contributed so much to the organization as well as to the area of search and rescue, in general. We will all miss their enthusiasm and expertise, and especially their friendships.

Congratulations to the Jim Marshalls and the Guy Andersons on their recent new arrivals. We're always glad to see prospective new rescue members.

Don't forget the 3rd Annual Prominent Point hike. We want to keep the memory fresh in Steve Smith's mind. This year it will be held on Sunday, Jan. 6th, instead of Jan. 1st. Rendezvous at 9:00 a.m. at the North end of Alvernon.

Posse members note the above change of meeting dates for the month of January only.

Divers meeting date info will be announced after their Jan. 3rd meeting.

- 12-19-84 Fall victim in Catalina State Park with ankle injury and possible rib injuries. Mostly cross-country evacuation.
