SARCI NEWS:

The February Search Training exercise was a great success for those smart enough to attend (16 Posse, 3 Cochise County and 6 SARA members). The instructions covered measuring your pace, estimating distance, describing a footprint, shooting a compass bearing, studying 'point last seen', map reading and tracking. Remember, don't mess up the clues for other searchers! After a terrific chili lunch from the shiny new Posse chuckwagons, a clue search was conducted in a 1/10 square mile area. The competent group found 19 of 20 hidden clues. Jim Gilbreath expresses special thanks to everyone who participated as your presence made the training very successful. For those who missed out, you'll get another opportunity on March 9th (see calendar above). Let's have a better showing of SARA members and trainees. You're really missing out if you don't take advantage of the proficient instruction available. Bob Birkett will be coordinating the March training with the Posse members so call him for further details at 298-5903.

Correction to February newsletter: In expressing gratitude for EMT assistance at the Posse Horse Show, Bob Zinn's name was inadvertently omitted. Sorry, Bob. Thanks for those 12 long hours you donated.

The Diver's April training will be a Wet Session, time and place TBA.

A new trail is on the drawing board for the Tanque Verde Falls area with the hope of getting it done before the summer rains. Lots of workers will be needed so be prepared for a phone call. More information will be forthcoming.
