SARCI NEWS:

Everyone who is receiving this newsletter should also have received the October issue of the Arizona Search and Rescue Association's newsletter entitled "ARIZONA SEARCH AND RESCUE NEWS" which is printed in newspaper format. If you did NOT get a copy and you wish you did, please leave a note on Mykle's machine (795-2303), or Joe's machine (294-8619).

The following committees were appointed at the October SARCI meeting:

Equipment and Communications - Joe Barr
Volunteer Records - Mykle Raymond
Medical - Kristine Larsen
Special Activities - Loma Griffith
Publications - Darlene Schacht

A First Aid class will be taught beginning in January. Anyone interested, contact Nate Shechter (888-2014).

Divers will hold their annual election and potluck dinner at 0700 at Larry Campbell's, 6531 N. Swan. Also time for paying membership dues.

The October SARA technical practice went very well with instructions on anchors and rappel. Everyone got a chance to pluck and picket. If you were unable to attend and would like some technical climbing experience, call Henry Jacobs (628-8567).

Also, anyone interested in Cave Orientation please call Henry as several experienced cavers in SARA have offered to share their expertise to small groups. This provides an excellent opportunity for learning caving skills and is strongly recommended by your training chairman. And it's lots of fun too.

There's still time to get your map test completed and sent in before delinquent notices are sent out.
