Please remember to bring and drink lots of water. A recent callout occurred on the hottest day in the last two years.

MEMBER ADVOCATES

by Manny Montano, manny@sarci2.org

Please join us in congratulating John McCarthy as the latest "Orange Shirt." John's orange card was submitted to the BOD at their June 16, 2005 meeting and was approved. Presentation of John's "Orange Shirt" will be at the July 1, 2005 general meeting.

Congratulations also to Jeri Herr, who was granted an "Orange Shirt" when Jeri's orange card was submitted and accepted at the May BOD meeting.

As always, feel free to contact your Member Advocates (Manny M., Deb H., and Elizabeth G.) at advocates@sarci2.org.

OEC REFRESHERS

by Rob Offerle, rofferle@juno.com

A huge bundle of thanks to all instructors and patients who conducted this year's Outdoor Emergency Care class. We produced a dozen eager rescuers for SARA, SRDI, and Ski Patrol.

Our 2005 Cycle A OEC Refreshers are on Sunday, August 21, and Saturday, September 17. Instructors are beginning to receive their Instructor Guides in the mail. However, the downloadable **2005 OEC Refresher Study Guide - Cycle A** should be on the NSP web site in early August.

BUILDING FUND RAISING

by John Perchorowicz, RCT2JTP@aol.com

Thanks to all who have turned in their pledge cards and who took the time to speak with the members of the committee and board over the last few weeks in follow up to the members' campaign. The board, committee and your fellow members appreciate your commitment to our new home.

Two special events of note coming up:

4th of July Parade on Mt. Lemmon to be followed by a potluck at John Perchorowicz' cabin immediately afterward. Don't forget your best orange shirt. Please be at John's no later than 11 AM on the 4th as we will need to join the parade lineup by 11:15. Hope to see many of you there. There will be a grill available for cooking. Please contact John by email for directions at RCT2JTP@aol.com.

SARA will be presenting its annual report to the Pima County Board of Supervisors at their open meeting on the 5th of July. We hope to have a strong representation of orange shirts in the audience. A page will come out with specifics. Please join us if you can.

As always, we are looking for help with various fund raising tasks, none of which involve direct solicitation. Victor Braun and Chuck Sosna are looking for help in identifying grant sources and writing grants. John Perchorowicz needs help with data entry into the non SARA community donor database.

Please send comments or suggestions to saraland@sarci2.org.

5.029	050501	Wed 10	72	UDA Recovery search	Tumacacori Mtns, Arivaca	local ranchers
18:44 – 02:30 Hunters reported finding remains in a remote area, in the Tumacacori Mtns east of Arivaca, near a dirt road about seven miles from Arivaca Road. The area was searched for several hours during the night, without success. TJ searched the area again in the morning, without success. A couple of days later, another report was received, a couple miles downstream, and Deputy Steve was able to drive to the scene to investigate and make the recovery.						
5.030	050510	Tue 9	10	??ym hiker overdue	MP12, Arizona Trail, Redington Pass	
13:29 – 14:37 A solo hiker was dropped off on the Arizona Trail, where it crosses Redington Road at the junction with the road to Italian Trap. He was due to be picked up several days later, the morning of a day that he had a final exam at school. He was picked up by a searcher driving up the road, apparently after hiking down Tanque Verde Canyon.						
5.031	050515	Sun 17	51	45yf hiker exhausted	Phoneline Tr, Sabino Canyon, Catalinas	RMFD USFS
15:38 – 17:05 – 19:28 A hiker stationed at Ft. Huachuca took his mother for a tram ride up Sabino Canyon, then hiked down the Phoneline Trail. She is from New York City, originally from Russia, understands but does not speak much English, and is not used to hiking, the heat, or steep slopes. She also has a history of several medical issues, so when she tired her anxiety rose and her progress down trail stopped about a quarter mile up canyon from the Phoneline Link Junction. She rode the stokes down to Tram Stop 1 at the foot of the Phoneline Link Trail.						
5.032	050520	Fri 0	0	36yf hiker missing	Romero Pools, Romero Canyon, Catalinas	
16:02 – 16:15 A 36yf hiker was last seen about 09:30 near Romero Pools. Shortly after volunteers were paged, a deputy reported meeting her on trail a short distance from the old trailhead.
