SRDI is very excited about our joint training with the divers on June 8 at Kennedy Park. We look forward to working closely with them and learning how we can support each other when the real need arises.

Congrats to Snoopy and Vi on mission ready status in evidence.

A great time was had at SRDI's annual field skills recertification circle. This year the training was held at Parker Canyon Lake.

<u>June 08</u>	<u>09:00 Sun</u>	Kennedy Lake Boat Launch	Meet: Ajo and Mission
<u>July 13</u>	<u>09:00 Sun</u>	Parker Canyon Lake	Meet: Kunz's
<u>Aug 10</u>	<u>09:00 Sun</u>	Patagonia Lake	Meet: Kunz's

June 8 - Kennedy Lake. Divers will hold a joint training with the dog team (SRDI). SRDI will deposit a 'scent dummy' in Lake Kennedy. Dogs will localize the scent in the early morning and Divers will lay dive patterns to recover the dummy. [Please note there will be a contingent of divers out of the country during this week, so please make an extra effort (for those in town) to make sure all equipment is taken care of. Please refer all questions to Joe Barr.

July 13 - Parker Canyon Lake - we will experiment again with patterns in the weeds. This will be a chance to familiarize yourself with this lake, such as bottom conditions and weed status.

August 10 - We hope to take the pontoon to Patagonia Lake. We will be monitoring the weather and gasoline prices.

Big thanks to Alex Hodge for hosting a BBQ to honor our Search and Rescue Deputies. Thanks to Steve West, Sean Degan and T.J. Price for showing up. Other deputies were working. The attendance was excellent and the food was outstanding. Thanks to Alex's son-in-law, Paul and Paul's friend Tom from Phoenix for the super grill work. Good to see our former Search and Rescue leader and member, Austin Boosted and his lovely wife Martha, as well as Liz Siegal. It was a very pleasant outing. Thanks to Steve West for pulling Kristi Keller's Dodge out of the soft sand.

Public Relations: Our Gymkhana almost went without any action, other than expected. Our own Pat G. went down to the ground when his horse slipped out from under him. He only got a few bruises and was sore! Tough Guy, hit hard! Ya never know when our medical training will be used. HUH?

Patrols: Progressing well. Not only patrolling Tucson Mountain Park, also have patrols in Davidson Canyon. Patrolling is excellent field training for S&R.

Training: Dan M. is stepping up the field training now that we have most of the members medically qualified to go into the field on S&R. And a Big Thanks to the SARA instructors for allowing the Posse Members to assist with OEC as patients. This is a big help with exposure to what Search and Rescue will be required to do while in the field.
