SAMSAR CALENDAR

Aug 15 18:00 Tue

Board and General Meeting

Substation 106, Tanque Verde & Catalina Hwy

Search and Rescue: Slow at this time, not what was expected with the amount of water in the canyons. We are sure business will pick up.

Training: Attempting to do medical training. Still having Outdoor First Car class registration issues. About four months working with NSP, I can't even sign in as an instructor, with a new user and password. New one issued 6-13-17. Butt load of emails and phone calls. Anyone have any ideas?? Know of another course we can get to match up with OFC?

Public Relations: Nothing until October.

General: Colleen was contacted on our Facebook page by two Mounted SAR units. First SAR unit is from North Georgia asked for help and lesson plans with setting up their training. The second Mounted SAR from San Bernardino, CA asked to be contacted when we have our next Patient/Equipment carry training so members of that group can come and train with us.

Membership: Really need Outdoor First Care class to process. Stuck in the mud right now!

For more information, please refer to web site <http://www.SAMSARaz.org> or contact anyone with a SAMSAR I.D.

Monthly Training

Parker Canyon Lake

Our July training session entailed working on re-rigging the pontoon craft and arranging better deployment of divers. Dive gear should be assembled and setup prior to launch so unneeded clutter can be left ashore. Additionally, we worked on pontoon craft anchor placement and checking the fuel pump.

In August we will meet at 09:00 at the boat ramp at Charles Ford – Lakeside Park Lake. Our August training will be refining and using our new pontoon craft configuration and procedures. We will also be working on diver's search patterns.

We ask ALL divers to respond to Doodle invites each month, this helps us to plan our training sessions. ALL divers need to have a working Response App on their phones. Please contact Records if you are having trouble with this.

OEC CORNER

by John Gorski, [john.gorski @ sarci.org](mailto:john.gorski@sarci.org)

The last SARA OEC 2017 Cycle "A" refresher date is Sunday, August 20. Instructors please arrive at 07:00; the refresher will start promptly at 08:00.

Be sure to register on <http://www.nsp.org>. At the top of the page, click "Sign In" and use your NSP user name (probably your user number) and password. Select the "For Members" button. In the upper menu, point at "Member Resources" and in the drop-down menu select "Course Schedule".

In the "Course number equals" field, type **F029170003**, then click "Find". Click on the Course Title "OEC Refresher A", click on "Register Myself", then "Proceed to Checkout" and "Submit Order". Finally, at the top of the page, click "Sign Out".

If NSP does not ask for a payment at the time you register, please bring a check payable to SARA in the amount of \$60.00 at the time you attend your OEC Cycle "A" refresher.

In addition, please bring \$5.00 in CASH to the refresher to cover administrative costs.

If you are in need of a copy of the Cycle "A" refresher Work Book, it is on the SARCI website on the "SARCI Members Only Data Page". (if you need to be reminded how to access this page, send a note to Records)

Everyone who holds a current OEC card is required to attend a yearly refresher. To attend a refresher, all OEC card holders need to have a current CPR card, and a COMPLETED Work Book. Be warned: several people were turned away last year for not having their Work Book completed.

A group snack to share is always welcome.

If you have a problem with your NSP records please forward any questions to John Gorski.
