SARCI BOARD MEETINGS

by SARNews, [sarcinewsletter @ sarci.org](mailto:sarcinewsletter@sarci.org)

SARCI Board meetings are held at the SARA House at 19:30 (7:30 pm) on the third Wednesday of January, April, July, and October.

SABINO CANYON PARKING

With the new electric trams in Sabino, we will NOT be able to leave unattended vehicles at Tram Stop 9. During hours of Canyon Crawler operation, everyone will need to park at TS-8 and be shuttled to TS-9. The ONLY vehicles at TS-9 will be IC and Ops vehicles attended with drivers so they can move as the tram passes through.

EMERGENCY RESPONSE MANAGER PHOTOS

by Brooke Fawcett, [Brooke.Fawcett @ sarci.org](mailto:Brooke.Fawcett@sarci.org)

We are collecting photos for the "My ID" page on the response app (ERM). Photos can be sent to Records and there will be an opportunity to be 'shot' at the SARA general meeting (when physical meetings are held). Guidelines: A head and shoulders shot like a passport. Plain light colored background. Wearing your uniform.

EMERGENCY RESPONSE MANAGER HELP

by Brooke Fawcett, [Brooke.Fawcett @ sarci.org](mailto:Brooke.Fawcett@sarci.org)

"If I'm at one area of the trail and my team mate is up trail from me, how far away is she really?"

"Does anyone know the weather up canyon from us right now?"

"When does my CPR expire?"

"How do I get in touch with another member in the group?"

Questions about how to use all these capabilities - and more - in ERM? Please don't hesitate to contact Brooke Fawcett! (Just open your ERM app, click Contacts, and type in her name.)

SARCI CALENDAR HELP

[records @ sarci.org](mailto:records@sarci.org)

SARCI Calendar – Looking for someone (or two) to support the team that maintains the master calendar. Something that can be done at most any time of the day or night. A small amount of training may be needed, after that it is a simple process. Email records.

SARCI MEDICAL TRAINING

by Cory Szach, [cory.szach @ sarci.org](mailto:cory.szach@sarci.org)

Medical classes are available to members of all SARCI component groups. A listing of classes is included in the SARA section below.

SARCI ROSTERS DURING COVID-19

by SARCI Records, [records @ sarci.org](mailto:records@sarci.org)

Rosters are appropriate and requested for on-line activities, including meetings and training sessions. A simple list of names and in/out times are sufficient (send the lists to Records). Bonus points are available for anyone who adds that information to a copy of the file "SARCI_Mission_Response_Log_Data_Entry" available on the SARCI data page (normal login needed):

Monthly Meetings

SARA House, 5990 N Sabino Canyon Rd

Meetings are being held on-line through Teams. Subgroup trainings with 3-4 people per group. But this also means 3 groups.

Due to the large number of candidate members and in-training dogs, SRDI has temporarily closed membership to allow proper time and attention for human and K9 training.

SARCI members are invited to join us for training at any time. If you are interested in attending one of our trainings, please email us at K9@sarci2.org, or Karen.Paquette@sarci.org, or call Karen Paquette (275-2074). SRDI's monthly meeting is the first Wednesday of each month at the SARA House.

SAMSTAR CALENDAR

June 16 18:00 Tue

Board and General Meeting

Forty Niner Country Club, 12000 E. Tanque Verde

COVID-19 has really taken a toll on people. We are grateful to have our horses to keep us sane. Automatic social distancing with horses. We managed to haul-certify one new horse belonging to Chris and Mike Massimi: BRANCH! He is not tall ... but he is STOUT! Can carry a big subject! Calm and sweet!

Training and meetings will continue soon. As soon as Mike and Chris get back we are planning a trail familiarization ride with Dpty Boll on PhoneLine and PhoneLine Link trail. Giving our deputies first-hand experience on horse riding some of these trials we feel is important. We have skeleton crew right now but will do our best to be there when needed.

Doing a lil public relations in talking to people when we see them on the trail and educate them about being prepared with clothing, water and physical limitations. Most are kind and receptive but one red faced huffing and puffing ill-prepared older hiker told me "I don't need it, I am a skilled hiker and I don't need a mommy!" Wished her well and on our way we went!

Stay safe everyone!

COVID-19 MITIGATIONS

by SARA Board of Directors, SARAbod@sarci.org

In order to help mitigate the spread of COVID-19, the Board directs that SARA suspend all in-person activities not related to missions (trainings, meetings, etc.) until at least June 30, 2020.

Outdoor training and other activities may resume beginning May 16, 2020 so long as participants adhere to current CDC guidelines for mitigating the spread of COVID-19. As such, the Board urges all participants in any officially organized SARA activity to use a mask whenever possible, adhere to social distancing recommendations, frequently disinfect equipment and wash hands.

No member may attend any SARA activity if they have any symptoms of COVID-19. This includes fever, chills, cough, shortness of breath, sore throat, headache, body aches, or loss of taste or smell. If a member develops symptoms, he or she may not return to training or calls until 10 days after complete resolution of symptoms.

Due to the potential impact of this directive on re-certification opportunities, SARA will extend the freeze field qualification (FQ) status through August 31, 2020. During this time, a field qualified member with an expiring FQ-required certification will remain eligible for deployment in the field, upon approval by the mission IC, but will need to address any expired certs by August 31.

The Board will continue to monitor developments, and this directive may change as conditions warrant. This directive will be reevaluated by the board prior to June 30 and further guidance will be given at that time. Exceptions to this policy will be subject to Board approval.

Let me know if you have any questions.

RESPONSES DURING COVID TIMES

by Sean Fawcett, Sean.Fawcett@sarci.org

During this time of COVID-19 and social distancing, there is a modification to the standard response to a request for a mission. While typically when a request for a mission is put out, we allow all members who respond to attend the mission, some items will change now that we are in COVID time.

For missions that do not require a large number of responders, the deputy requesting the alert will work with the SARA member putting out the page to come to a number that is reasonable for the mission. For example the search at Pima Canyon the other night would probably been limited to 3 field people and an Ops vehicle. It is understood that not all missions have the required info up front to determine the number of responders needed.

In the case where additional resources are needed, a page requesting additional assistance will be put out. If the request is for 3 people, the desire is not to have the first 3 people that respond, but that the responses be the first 3 that are in close location to the rendezvous.

If no number is specified in the alert, it is assumed to be a normal call for any available resources.

Before responding, you can check the list of responders to see how many people have already responded.

SARA BOARD – UNIFORM SHIRTS

by Joe Barr, Secretary, joe.barr@sarci.org

SARA Members are reminded that SARA has budgeted to provide uniform shirts. Please check with the SARA Store for details. While meetings are suspended, send your requests for information to Records@sarci.org.

1. The blue dress shirt embroidered with your name and the SARA logo is available for members that interface with the public.
2. Recognized field uniform shirts are available to active Rescuer, Candidate and Basic members. You may qualify if you have not had one issued, or yours is showing the wear of many missions. Recognized shirts generally include:
 - T-Shirts stocked in SARA Store
 - Orange button down shirts with embroidered name and SARA logo
 - Orange 'Tru-Spec' military style shirts with Velcro name and SARA logo

SARA BOARD - DUES

by Joe Barr, Secretary, joe.barr@sarci.org

It is that time of year again where we send out reminders regarding SARA dues payments. For 2020, there is a flat fee of \$20. YOU WILL BE DROPPED BY THE JULY BOARD MEETING IF YOU HAVE NOT PAID YOUR DUES! Below I have provided several different options on how you can make your payment:

A) **Cash or check paid at the SARA Store (not likely to be available)**

B) By check mailed to:

Southern Arizona Rescue Association
PO Box 12892
Tucson, AZ 85732-2892

C) Using PayPal online via the SARA donations page

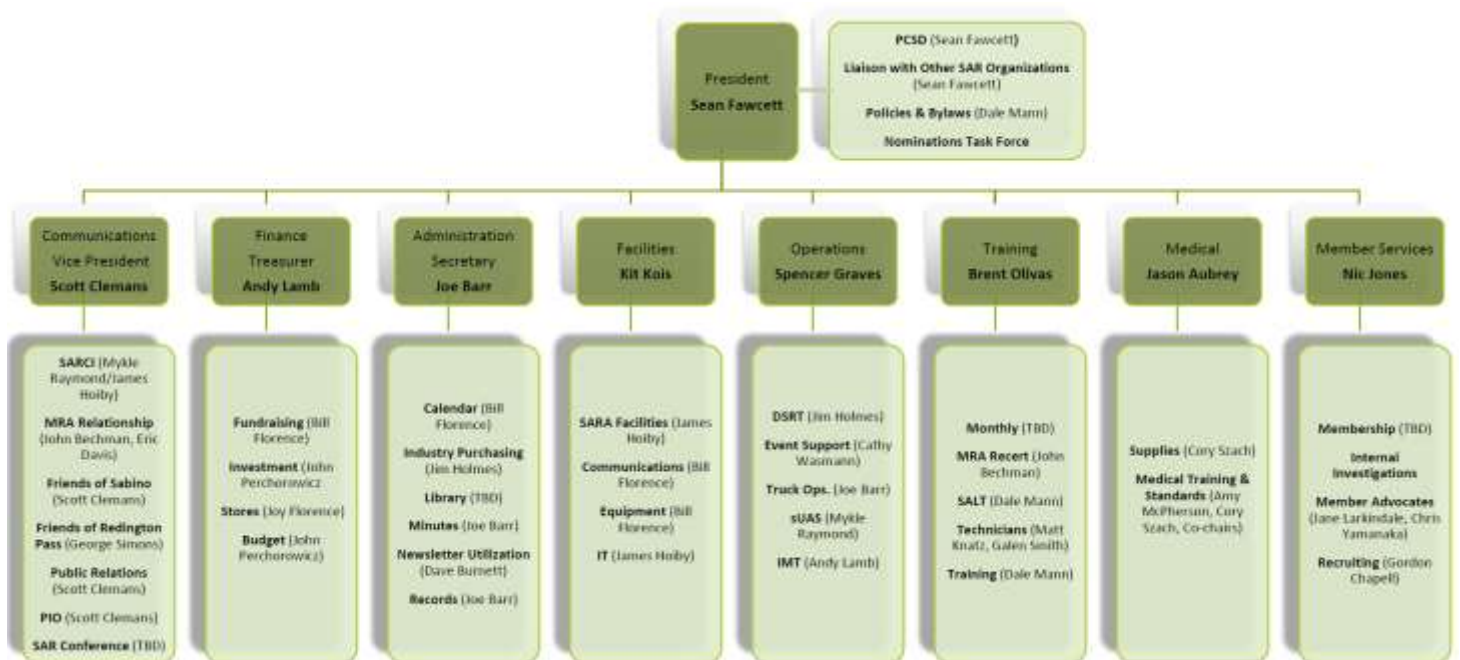

- <http://www.sarci.org/donations/>
- Please note your name and description of payment "2020 Dues" in the memo area
- Please include a \$0.75 convenience fee if paying via PayPal

SARA MEDICAL DISCUSSION

by SARA Board of Directors, SARAbod@sarci.org

As you know, the Medical Committee and many members of our organization have been working diligently to ensure that all OEC medical certified Rescuers will be able to bridge to the EMR medical certification as required by the Pima County Sheriff's Department. Effective March 19, 2020, this recommendation has been accepted by a vote of the Board of Directors.

While this original bridge course applies to the majority of our members, please know that we will work with whoever needs it to get this accepted certification to be retained within the group. All of our members are important to this organization, and we do not want to lose any one of you during this transition.

There are still some questions within the transition process yet to be answered, but these are being worked on for an acceptable resolution to our members. Speaking on behalf of the Board, I want to thank the Medical Committee and other members who have dedicated a considerable amount of time and hard work to ensure that we meet these new standards.

Also during the March 19 Board of Director's meeting, Dr. Nicola Baker was voted in as the new SARA Medical Director. Dr. Baker is a previous SARA member, and currently works as an Emergency Physician and Assistant Professor at Banner University of Arizona Medical Center. She is an avid outdoorswoman, and a Fellow of the Academy of Wilderness Medicine through the Wilderness Medical Society. Dr. Baker will be introducing herself to us, however due to the current COVID-19 pandemic, the introduction will be made via email.

In her role as SARA Medical Director, Dr. Baker will work with Dr. Kastre, who is going to remain with the PCSD SAR Unit. As with all medical providers during this time, some of whom are our own SARA members, they are confronted with an increasingly strained healthcare system. We want to express our greatest appreciation for their efforts as they fight for the health and safety our community on the "front lines."

SARA BOARD – POLICY CHANGE

From the SARA Board, by Jason Aubrey, jason.aubrey@sarci.org

I hope you are all doing well and staying healthy. This note is to notify you of a proposed SARA policy change prompted in part by the COVID-19 situation and to invite your feedback on this change. One of our recent modifications to the policies was to modify item I.F.5 to read:

I. Membership

F. Qualifications

5. Outdoor Emergency Care (OEC) will be accepted as a medical training for field qualification for Candidates and Rescuers until July 1, 2020.

This is the statement in the current membership policies as approved on 11/21/2019, and also appears in the most recent revision approved on 3/19/2020.

As a result of the effect of the COVID-19 on our training schedule and to officially extend the sunset date for others affected by previous policy changes, the board proposes the following change to item I.F.5 of the membership policies:

I. Membership

F. Qualifications

5. Outdoor Emergency Care (OEC), Wilderness First Responder (WFR) and Wilderness First Aid (WFA) will be accepted as a medical training for field qualification for Candidates and Rescuers until December 31, 2020.

Since this proposal constitutes a change to SARA's Membership policies, the proposal will be presented for member comment at the next two SARA monthly meetings per our policies, to be followed by a Board vote on the proposed policy change.

Your feedback is welcome. You may email feedback directly to me or to the SARA Board of Directors. You will also have the opportunity to provide feedback in person at our May and June SARA monthly meetings. Details regarding the format of those meetings will be sent soon.

SARA Search and Rescue Awareness Level Training (SALT)

by Brent Olivas, brent.olivas@sarci.org

A 2020 modified Schedule (due to COVID-19) is available, shifted from March-April to July-August. The Wilderness Emergency Medical Responder (WEMR) course will follow. If you have any questions or concerns, please reach out to either myself or Dale Mann.

SARA MONTHLY TRAINING

by Chris Gall, chris.gall@sarci.org

The June monthly training will be Summer Skills training. John D. and I will be leading the training and this time we thought we would change things up a little bit. We will be meeting at SARA House at 08:00, June 6. We will cover signal mirrors and other hot weather topics at or around SARA House. Then a short hike to Rattlesnake Canyon via Pigpit to practice shelter building.

Please bring, at a minimum, your rescue packs, plenty of water, signal mirror, and space blanket with paracord. Hiking poles come in real handy too.

Since we don't have the use of Whoozin anymore, we'll do the RSVP the old fashioned way. Please RSVP to me if you are IN (maybes are ok too). See you in the heat!

SARA TECHNICAL TRAINING

by Galen Dara, galen.smith@sarci.org

As we carefully ease back into a training schedule, I've put some technical trainings on the calendar and wanted to share them with everyone.

June 10	19:00 Wed	Non-field rigging: Technician sign-offs for litter scoops.	SARA House, 5990 N Sabino Canyon Rd
June 13	08:00 Sat	Technician field exercise, sign offs for litter scoops.	Box Camp Trail, Mt. Lemmon
June 20	08:00 Sat	Personal Rope Skills (rappelling/ascending)	Windy Point, Mt. Lemmon
July 11	08:00 Sat	General Technical exercise. Awareness/ Operations sign offs.	Lizard Rock (maybe), Mt. Lemmon
July 15	19:00 Wed	Non-field rigging: Technician sign-offs for pick offs.	SARA House, 5990 N Sabino Canyon Rd
July 18	08:00 Sat	Technician field exercise, sign offs for pick offs.	3 Bridges, Marsh Station Road

July 01 is the next deadline for applying to the technical rope rescue group.

We'll be doing what we can to construct the trainings in ways that minimize close contact (ie, keeping the training groups small, masks and gloves required, frequent use of hand sanitizer and disinfectant wipes, etc...). Remember there is a current freeze on expiration dates for field qualification through August 31, 2020, so while we are cautiously resuming trainings where sign-offs can be obtained, there is no rush or pressure to attend to keep field qualified.

More information about the trainings will come as the dates draw closer.

SARA MEDICAL TRAINING

by Cory Szach, cory.szach@sarci.org

Below are the medical training currently being offered by the SARA Medical Committee. These training are open to members of all SARCI component groups plus the Caver SMEs. Advanced registration via Whoozin is required for all classes to ensure sufficient instructors / materials. If sufficient registrations are not received by one week prior to the class, it may be subject to cancellation. All training will be held at the SARA House.

Cardio-Pulmonary Resuscitation (CPR):

No CPR classes are currently scheduled

Wilderness First Aid (WFA): For those needing WFA, the following sessions are scheduled. Minimum 4 students needed to host the class. There are no fees or required materials for this course. Weekday sessions will be held from 18:00 - 22:00 and Weekend sessions from 08:00 - 17:00.

No WFA classes are currently scheduled

Blood Borne Pathogens (BBP): It is an AZ state requirement that all search and rescue volunteers take an OSHA BBP class once per year. Eventually members will be able to take this online on the SARA website, but until this system is available we will continue offering in-person classes.

No BBP classes are currently scheduled

Naloxone Administration: Due to the nation-wide opioid crisis, the State of Arizona recommends all first responders be trained in the administration of Naloxone. SARA offers this optional training to all SARCI members free of charge. To remain current it is recommended rescuers re-take this training once every two years.

No Naloxone classes are currently scheduled

Wilderness Emergency Medical Responder (WEMR): Dates for the upcoming WEMR class are TBD. Classes will be on Tuesday / Thursday evenings from 18:00-22:00 every week with three all-day Saturday classes. Registration will be open once the dates are finalized.

No WEMR classes are currently scheduled

If you have any questions or concerns please send them to the Medical Committee at saramedical@sarci.org

OEC CORNER

by John Gorski, john.gorski@sarci.org

We are cancelling the July OEC refresher, with the hopes things will be back to some what normal for the August OEC refresher. Please watch the newsletter for updates.

This year's OEC refresher in Tucson will be using the Hybrid OEC refresher option.

Beginning July 1, all NSP members and candidates taking the OEC course using the new 6th edition textbook.

Get ready for OEC 6!

The sixth edition of NSP's flagship educational program, Outdoor Emergency Care (OEC) is currently scheduled to be released in May. The book is now available for pre-order on our publisher Jones & Bartlett Learning (JBL)'s website. The cost of the book will be \$124.95. NSP members will receive a 25% discount (\$31.24), so their price will be \$93.71. Ground shipping is free. (To receive the discount, enter the code NSPMEC2 in the Promotion Code field in the shopping cart.)

MRA CORNER

by John Bechman, john.bechman@sarci.org

The MRA would like a PIO for each region. This person will be the point of contact for all SAR activities in the region. This includes all of Arizona and Las Vegas. This assignment may require travel to, participation in and knowledge of all emergency activities in the Southwest Desert Regional SAR. Training will be provided to candidates. If you are interested please contact John Bechman and include pertinent qualifications and curriculum vitae.

SARA has received MRA Member Cards for 2020-2021. These were provided in one PDF file, so if you need a copy, ask Records.

- Sat May 02** 7/ 31/ **61ym alzheimers missing Sheriff1 DOC**
 13:25 – 15:30 A male was missing from a residence north of Catalina State Park. Dog and Horse teams assisted the search. He was later found in good condition by Pinal County officers in Saddlebrooke (several miles to the north, well out of the search area).
- Mon May 04** 7/ 18/ **3 hikers benighted x5, Bear Canyon, Catalinas**
 21:30 – 22:30 Hikers were stranded by dark. Teams escorted them to the trailhead.
- Wed May 06** 13/ 37/ **08yf hiker exhausted x7, Bear Canyon, Catalinas Sheriff1 RMFD**
 14:25 – 16:30 A family got a late start hiking to 7 Falls. The parents turned around, and let the kids continue. One of them had a history of breathing problems and had not had anything to eat. Sheriff1 hoisted her to the Overlook LZ.
- Sat May 09** 11/ 36/ **27ym hiker ankle injury Ventana Canyon, Catalinas RMFD**
 09:00 – 10:30 A group was returning from a hike in Ventana Canyon when one injured his ankle. He was assisted to the trailhead.
- Sat May 09** 16/ 78/ **9 party people evacuated TV Canyon, Rincons Sheriff1 Survey2 RMFD**
 19:15 – 22:25 A group had spent all day becoming impaired in TV Canyon. Help was requested when one became unresponsive. Sheriff1 hoisted two to the road while teams escorted others up the trail, with officers ensuring that everyone remained safe.
- Mon May 11** 2/ 2/ **??yf hiker injured hand SARA Trail, TV Canyon, Rincons**
 17:30 – 18:20 Brooke and Sean were hiking down the SARA Trail and found a hiker who had strayed on a social trail and lacerated a hand. She was treated and escorted up to a SAR Officer, and to the road. Then they resumed their hike.
- Thu May 14** 6/ 12/ **2 hikers without lights TV Canyon, Rincons**
 20:35 – 21:05 Two hikers without lights missed the bottom of the SARA Trail. They were easily rounded up and all hiked out.
- Sat May 23** 22/ 217/ **26yf 26ym lost in cave Scroll Cave, Catalinas PinalSO CCsar GRFD grottoes**
 15:50 – 22:10 Two people were reported overdue from Friday, having left plans with family who found their vehicle near the cave. A hasty team checked the room at the base of the entrance fissure, noting the two had signed in but not out of the register, and the rock pile covering access to the rest of the cave was moved aside. Wired phones were rigged to reduce the time needed to pass messages. Two search teams were deployed to most likely places. As another team started in on a third assignment, the first search team reported finding the two in good condition. Their only remaining light were dots glowing on a watch.
- Sun May 24** 13/ 83/ **35yf hiker ankle injury Miller Creek Trail, Rincons**
 11:10 – 13:30 Two hikers started from their sedan along the Happy Valley Road at a large water pool in the road. They got a ride for a small part of the road to the trailhead. As they approached Happy Valley Saddle (intending to camp and hike to Rincon Peak), one injured her ankle. In the morning, her ankle was swollen and painful, so help was requested. A passing group provided assistance, and the group was met a short distance above the Park Boundary. She was assisted down to the boundary where horses were waiting, and rode to the trailhead.
- Sun May 24** 6/ 18/ **??yf fall injury Sunset Trail, Catalinas MLFD RMFD**
No field times A woman fainted while standing on the Sunset Trail, a short distance from Marshall Gulch. She tumbled and fell down several ledges, injuring a knee. While SAR was driving up the mountain, the woman was handed back up to the trail in a litter, and carried to the trailhead.
- Mon May 25** 15/ 45/ **??yf hiker exhausted Yetman Trail, Starr Pass, Tucson Mtns TFD**
 10:00 – 11:30 One of a group of women became exhausted. The initial plan was to hike in from the Boy Scout Camp on the west side. Prior to the Starr Pass Trailhead and nearby reservoir being constructed, missions were run from the road running past the reservoir. The scene was much closer from there, so the operation shifted to the east side. She was treated and was able to walk out.
- Fri May 29** 11/ 56/ **Vehicle investigation Lakes at Castle Rock, Tucson**
 17:00 – 18:30 While searching for suspects involved in a robbery, TPD Air 1 reported a suspicious shape in a “lake” in the Castle Rock community. Divers assisted PCSD with the investigation, finding a vehicle that appeared to have been there for a number of years. The vehicle was not retrieved, and may provide a training exercise in the future.
- Fri May 29** 12/ 58/ **??yf climber knee injury Munchkin Land, Sycamore Canyon, Catalinas MLFD RMFD**
 19:30 – 21:10 A climber fell and swung hard into the rock, injuring her knee. She was assisted to the top of the climbing area and met fire teams. She was carried by litter to the Rose Canyon parking area.
- Sun May 31** 16/ 20/ **32ym difficulty breathing Tanque Verde Canyon, Rincons RMFD**
No field times A male was reported to be at the “lower falls” and having difficulty breathing. A Rural Fire team met the patient with a group about two minutes down the Lower Tanque Verde Canyon Trail (“SARA Trail”) and assisted him to the road.
