SARCI BOARD MEETINGS

by SARNews, [sarcinewsletter @ sarci.org](mailto:sarcinewsletter@sarci.org)

SARCI Board meetings are held at the SARA House at 19:30 (7:30 pm) on the third Wednesday of January, April, July, and October. During COVID-19, these meetings are being held on-line. Ask if you are interested in “attending”.

SABINO CANYON PARKING

With the new electric trams in Sabino, we will NOT be able to leave unattended vehicles at Tram Stop 9. During hours of Canyon Crawler operation, everyone will need to park at TS-8 and be shuttled to TS-9. The ONLY vehicles at TS-9 will be IC and Ops vehicles attended with drivers so they can move as the tram passes through.

EMERGENCY RESPONSE MANAGER PHOTOS

by Brooke Fawcett, [Brooke.Fawcett @ sarci.org](mailto:Brooke.Fawcett@sarci.org)

We are collecting photos for the “My ID” page on the response app (ERM). Photos can be sent to Records and there will be an opportunity to be ‘shot’ at the SARA general meeting (when physical meetings are held). Guidelines: A head and shoulders shot like a passport. Plain light colored background. Wearing your uniform.

EMERGENCY RESPONSE MANAGER HELP

by Brooke Fawcett, [Brooke.Fawcett @ sarci.org](mailto:Brooke.Fawcett@sarci.org)

“If I'm at one area of the trail and my team mate is up trail from me, how far away is she really?”

“Does anyone know the weather up canyon from us right now?”

“When does my CPR expire?”

“How do I get in touch with another member in the group?”

Questions about how to use all these capabilities - and more - in ERM? Please don't hesitate to contact Brooke Fawcett! (Just open your ERM app, click Contacts, and type in her name.)

SARCI MEDICAL TRAINING

by Cory Szach, [cory.szach @ sarci.org](mailto:cory.szach@sarci.org)

Medical classes are available to members of all SARCI component groups. A listing of classes is included in the SARA section below.

SARCI ROSTERS DURING COVID-19

by SARCI Records, [records @ sarci.org](mailto:records@sarci.org)

Rosters are appropriate and requested for on-line activities, including meetings and training sessions. A simple list of names and in/out times are sufficient (send the lists to Records). Bonus points are available for anyone who adds that information to a copy of the file "SARCI_Mission_Response_Log_Data_Entry" available on the SARCI data page (normal login needed):

http://www.sarci2.org/data/SARCI_Mission_Response_Log_Data_Entry_201810.xlsx

NEOTOMA COMPOSITE SQUADRON, C.A.P.

by LtCol Robert McCord, [cap @ sarci.org](mailto:cap@sarci.org)

CAP SQUADRON CALENDAR

Sundays 15:30-18:00 Golder Ranch Fire Station #380 1175 W. Magee Road, Tucson, AZ 85704

The Civil Air Patrol's Neotoma Squadron actively participates in ongoing search and rescue missions and training exercises at the state, local and national levels. We welcome new members to join the more than 70 members of the nationally recognized emergency services Arizona Wing Ground Team.

Membership: Robert McCord, [cap @ sarci.org](mailto:cap@sarci.org)

Web site: <http://www.neotomasquadron.org>

SOUTHWEST RESCUE DOGS, INC.

by Karen Paquette, [karen.paquette @ sarci.org](mailto:karen.paquette@sarci.org)

SRDI CALENDAR

Aug 05 18:00 Wed Monthly Meetings On-line, Teams

Meetings are being held On-line through Teams.

SRDI Members continue training in sub-groups of 3-4 people. Each group is working to advance Candidate skills toward Mission Ready qualifications. No real news from Doggies this month ... nothing much has been going on.

SARCI members are invited to join us for training at any time. If you are interested in attending one of our trainings, please email us at [K9 @ sarci.org](mailto:K9@sarci.org), or [Karen.Paquette @ sarci.org](mailto:Karen.Paquette@sarci.org), or call Karen Paquette (275-2074). SRDI's monthly meeting is the first Wednesday of each month at the SARA House.

SOUTHERN AZ MOUNTED SEARCH AND RESCUE

by Colleen Leon, colleen.leon@sarci.org

SAMSAR CALENDAR

Aug 18 18:00 Tue Board and General Meeting Forty Niner Country Club, 12000 E. Tanque Verde

Not much to report this month. Members who can ride are riding! Can't wait for things to get back to normal! Frank and Colleen Leon assisted with LZ on July 11. Trying to do what we can when we can.

Everyone stay safe and healthy! Ride 'em if you got 'em!

See ya on the trail!

BOARD OF DIRECTORS – COVID-19 DIRECTION

by Sean Fawcett, Sean.Fawcett@sarci.org

On March 20 the board directed that SARA suspend all activities except missions. And on May 15 the board continued the suspension of indoor activities not related to missions. Information now available shows that the COVID-19 risk has not declined as expected. The need to avoid exposure to rescue personnel and equipment remains at a heightened level.

The Board directs that SARA continue to suspend all indoor activities not related to missions (trainings, meetings, etc.) until further notice. Outdoor training and activities may continue with careful adherence to CDC guidelines for mitigating the spread of COVID-19.

We as an organization must protect our members (teammates), our equipment, the public we serve, and all those we contact by wearing masks. The Board expects all participants in any organized SARA activity to use a mask whenever possible, adhere to social distancing recommendations, frequently disinfect equipment, and frequently wash/sanitize hands. More specific SARA COVID-19 Guidelines were published by the SARA Medical Chairs (via Amy) on May 15 and will be updated monthly. SARA Members need to be aware of and adhere to these guidelines.

No member may attend any SARA activity if they have any symptoms of COVID-19. This can include fever, chills, cough, shortness of breath, sore throat, headache, body aches, or loss of taste or smell. If a member develops any symptoms, he or she may not return to training or calls until at least 10 days after the onset of symptoms AND at least 3 days (72 hrs) without fever (without the use of fever-reducing medications) and an overall reduction in symptom severity.

Due to the potential impact of this directive on re-certification opportunities, SARA will extend the freeze field on qualification (FQ) status through October 31, 2020. During this time, a field qualified member with an expiring FQ-required certification will remain eligible for deployment in the field, upon approval by the mission IC, but will need to address any expired certs by October 31.

The Board will continue to monitor developments, and update this directive at least monthly. Exceptions to this policy will be subject to Board approval. Please let me know if you have any questions.

BOARD OF DIRECTORS NOTES

by SARA Board of Directors, SARAbod@sarci.org

Congratulation to Tiff Hodges on her promotion to Rescuer on 6/18/20! Look for Tiff in sporting her new orange shirt.

The Board's Covid-19 directive has been updated to:

While the opportunities to refresh technical taskbook and technician skills the board have been limited, the Board directed Records to extend those certs by 4 months so we can maintain more fully field qualified members.

At the June 18th meeting the SARA Board adopted a policy change that extends the July 1 sunset date for the use of OEC certs. The revised text below will recognize current OEC, WFR and WFA certs for Rescuers and Candidates at least until the end of the year.

Outdoor Emergency Care (OEC), Wilderness First Responder (WFR), and Wilderness First Aid (WFA) will be accepted as medical training for field qualification of Candidates and Rescuers until December 31, 2020.

Before the end of the year the Board expects to implement a more comprehensive change that will recognize the use of OEC or WFR in combination with an NrEMR cert.

RESPONSES DURING COVID TIMES

by Sean Fawcett, [Sean.Fawcett @ sarci.org](mailto:Sean.Fawcett@sarci.org)

During this time of COVID-19 and social distancing, there is a modification to the standard response to a request for a mission. While typically when a request for a mission is put out, we allow all members who respond to attend the mission, some items will change now that we are in COVID time.

For missions that do not require a large number of responders, the deputy requesting the alert will work with the SARA member putting out the page to come to a number that is reasonable for the mission. For example the search at Pima Canyon the other night would probably been limited to 3 field people and an Ops vehicle. It is understood that not all missions have the required info up front to determine the number of responders needed.

In the case where additional resources are needed, a page requesting additional assistance will be put out. If the request is for 3 people, the desire is not to have the first 3 people that respond, but that the responses be the first 3 that are in close location to the rendezvous.

If no number is specified in the alert, it is assumed to be a normal call for any available resources.

Before responding, you can check the list of responders to see how many people have already responded.

SARA BOARD – UNIFORM SHIRTS

by Joe Barr, Secretary, [joe.barr @ sarci.org](mailto:joe.barr@sarci.org)

SARA Members are reminded that SARA has budgeted to provide uniform shirts. Please check with the SARA Store for details. While meetings are suspended, send your requests for information to [Records @ sarci.org](mailto:Records@sarci.org).

1. The blue dress shirt embroidered with your name and the SARA logo is available for members that interface with the public.
2. Recognized field uniform shirts are available to active Rescuer, Candidate and Basic members. You may qualify if you have not had one issued, or yours is showing the wear of many missions. Recognized shirts generally include:
 - T-Shirts stocked in SARA Store
 - Orange button down shirts with embroidered name and SARA logo
 - Orange ‘Tru-Spec’ military style shirts with Velcro name and SARA logo

MRA CORNER

by John Bechman, [john_bechman @ sarci.org](mailto:john_bechman@sarci.org)

The MRA would like a PIO for each region. This person will be the point of contact for all SAR activities in the region. This includes all of Arizona and Las Vegas. This assignment may require travel to, participation in and knowledge of all emergency activities in the Southwest Desert Regional SAR. Training will be provided to candidates. If you are interested please contact John Bechman and include pertinent qualifications and curriculum vitae.

SARA has received MRA Member Cards for 2020-2021. These were provided in one PDF file, so if you need a copy, ask Records.

SARA Search and Rescue Awareness Level Training (SALT)

by Brent Olivas, [brent.olivas @ sarci.org](mailto:brent.olivas@sarci.org)

A 2020 modified Schedule (due to COVID-19) is available, shifted from March-April to July-August. The Wilderness Emergency Medical Responder (WEMR) course will follow. If you have any questions or concerns, please reach out to either myself or Dale Mann.

BOB BUECHER – END OF THE PASSAGE

by Scott Clemens, Secretary, joe.barr@sarci.org

Bob Buecher passed away peacefully on June 27, 2020 from complication of recent heart surgery, with his wife Debbie at his side.

Bob joined SARA in 1973. He brought extensive caving experience, vertical rope experience, and general technical knowledge to the group throughout his career in SARA. He was active in teaching caving/rescue skills, and was always eager to demonstrate just how tight a hole a person could fit through by opening up a clothes hanger and squirming his way through the center. The SARA kids thought that was great fun!

Bob was widely known in the caving community. He served as the Cave Cartographer for the Cave Research Foundation at Carlsbad Caverns during the 1980s. Bob caved and hiked throughout the West and even contributed to cave surveys at Mammoth Cave National Park and Buffalo River National Monument. Bob was a long-time member of the Cave Research Foundation and was on the first American-Chinese Caving Expedition in 1988. He also managed the Baseline Studies for Arizona Conservation Projects, Inc. at Kartchner Caverns, prior to its development by Arizona State Parks. Bob was a brilliant engineer (Civil Engineering) and during his career worked in both the public and private sector. Bob loved to work with electronics and designed/built cave radios, LIDAR cave survey equipment, and a sophisticated system to accurately measure cave humidity. Bob also built many of the electronics which his wife Debbie continues to use for monitoring bats in Arizona and New Mexico.

The Buecher/Clemens annual vacation a few years back took us by a cave in the middle of nowhere in Nevada with an 80 foot vertical drop, so we stopped to do a bit of exploration. As we were getting ready to ascend the rope to exit, a voice from the darkness said: “Is that you, Bob?” Turns out he knew them from other caving activities he was involved in.

Bob had many friends in SARA and the caving community - he will be greatly missed. Notes of remembrance/condolence can be sent to Debbie at:

Debbie Buecher
7050 Kachina Ct.
Tucson, AZ 85715

SARA MEDICAL TRAINING

by John DiMiceli, john.dimiceli@sarci.org

Below is the medical training currently being offered by the SARA Medical Committee. These trainings are open to members of all SARCI component groups. Where space is available, Caver SMEs are welcome. Members can register for the sessions by following the links provided or by emailing me directly. The sessions will be offered at the SARA House so long as current CDC, county, city, and SARA policies are able to be followed. We understand the situation is ever changing due to the COVID-19 pandemic and we will do our best to communicate cancellations or changes in the format in which the courses will be offered (limited class sizes, outdoors, online, etc). We want to do our best to make the most responsible decisions.

Cardio-Pulmonary Resuscitation (CPR): The sessions below will be offered for AHA Basic Life Support Provider certification. Participants are required to bring their own ventilation barrier device (mask or shield). The course is \$5.00 to cover the AHA fee for issuing your CPR card. This will be payable to the instructor via cash or check made out to “Southern Arizona Rescue Association”.

Session 2: Aug 27, Thurs (18:00-22:00)

Session 3: Sept 01, Tues (18:00-22:00)

Session 4: Sept 19, Sat (08:00-22:00)

Registration: <https://forms.gle/ZV5Ckepyqav3TukJ9>

Wilderness First Aid (WFA): The following session is scheduled. There are no fees or required materials for this course. Weekday sessions will be held from 18:30 - 22:00 and Weekend sessions from 08:00 - 17:00.

Aug 11, 13, 15 (Tue, Thu, Sat) SALT WFA session. Additional seats are limited.

Registration: <https://forms.gle/Tk2AZU6umYHAd6S8A>

Blood Borne Pathogens (BBP): It is an AZ state requirement that all search and rescue volunteers take an OSHA BBP class once per year. Eventually members will be able to take this online on the SARA website, but until this system is available we will continue offering in-person classes. (An on-line refresher BBP class is available using links recently emailed to SARA Members)

No BBP classes are currently scheduled

Naloxone Administration: Due to the nation-wide opioid crisis, the State of Arizona recommends all first responders be trained in the administration of Naloxone. SARA offers this optional training to all SARCI members free of charge. To remain current it is recommended rescuers re-take this training once every two years.

No Naloxone classes are currently scheduled

Wilderness Emergency Medical Responder (WEMR): The fall WEMR class will run from Tues Sep 08 to Sat Nov 07. Classes will be every Tuesday and Thursday evening from 18:30-22:00 with three Saturday classes from 08:00-17:00 on Sept 26, Oct 10, and Oct 24. Upon completion of this course and the national registry examination you will obtain your NR-EMR certification and wilderness component required of a SARA field qualified rescuer.

The cost of the class will be \$275 per person, paid by check made out to “Southern Arizona Rescue Association”. Registration fees include the course book, medical supplies and other course specific materials, and voucher for the NR-EMR exam.

Registration: <https://forms.gle/7eCKhcsUV1kddyvu6>

OEC to EMR Bridge course: Upon completion of this 16-hour course you will be eligible to take the National Registry exam to obtain your NR-EMR certification. Prerequisite: a current OEC or WFR certification. Class may be cancelled if a minimum registration is not met one week prior to the session date.

3.Sept 08, Tues:18:00-22:00 Sept 10, Thur:18:00-22:00 Sept 12, Sat: 08:00-17:00

4.Nov 17, Tues:18:00-22:00 Nov 19, Thur:18:00-22:00 Nov 21, Sat: 08:00-17:00

Registration: <https://forms.gle/2G4fq5JdiPqw7kTt8>

If you have any questions or concerns please send them to the Medical Committee at saramedical@sarci.org

VERIFY THAT EACH IN-PERSON ACTIVITY WILL BE HELD WHERE SCHEDULED

SARA TECHNICAL TRAINING

by Galen Smith, galen.smith@sarci.org

The technicians will be doing high angle training at the PRTC tower on Wednesday Aug 12th from 6pm to 10pm. All members are welcome to attend. Task book sign offs for Awareness and Operations will be available. Address is 10001 S Rita Rd. Bring your rescue pack. If you are interested in helping from the top of the tower be sure to bring a harness.

OEC CORNER

by John Gorski, john.gorski@sarci.org

This years OEC refresher will be held online. NSP has combined the hands-on portion with next years Cycle B refresher. OEC 6 Cycle A refresher is starting on August 1st and is to be completed by October 31, 2020.

Please following ALL the instructional below to receive credit for Cycle A refresher.

Enroll in NSP Course # F801200001. Go to NSP.org, enter this course number into the course schedule and follow the prompts through to completion. You will get an email when you have successfully enrolled.

Go to the NSP Online Learning (NSP.org > Member Resources > Online Learning > Click Here to Enter the Online Learning System > Courses > 2020 OEC Refresher A Online Module & workbook)

Complete the course. Print the completion certificate as a pdf file or JPEG and save it to your computer.

At the same time, scan a signed copy of the Refresher Evaluation Form (page 31) from your workbook that was received in the mail, and save it as a PDF file.

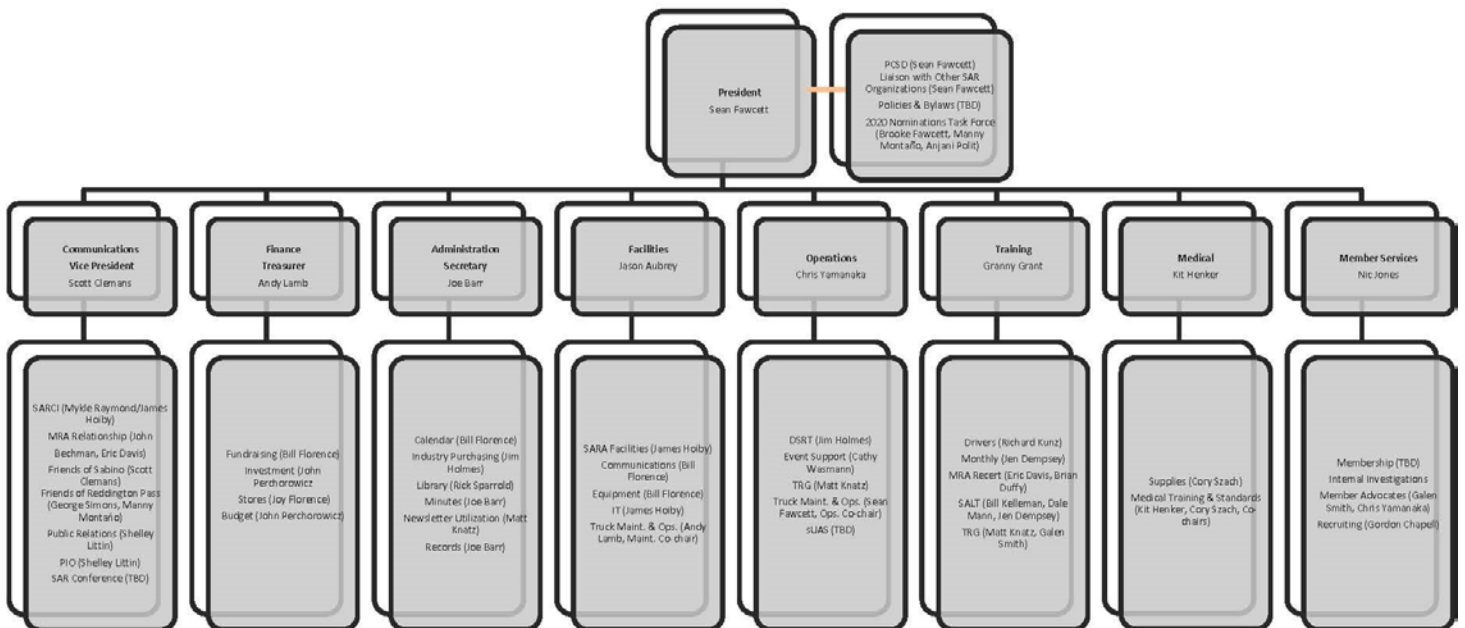

Send the completion certificate along with a scanned copy of your Refresher Evaluation Form (page 31) as an email attachment to me at john.gorski@sarci.org.

SARA BOARD – ORGANIZATION CHART

From the SARA Board, by Joe Barr, joe.barr@sarci.org

(a more readable copy is available at: <http://www.sarci2.org/saradocs/images/BOD/Org%20Chart.pdf>)

Southern Arizona Rescue Association
Organization Chart
Board of Directors, Committee, Task Force and Functional Areas (Chairs)

Contact information for individuals listed can be found on the Response App by selecting "Links" then "SARCI Phone List"

Date	Vol/Hrs/ Problem	Location	Resources
------	------------------	----------	-----------

Mission Hrs now show total portal-to-portal times. Mission times now show Field IN/OUT times.

- Sun June 07** 15/ 47/ *21ym hiker stuck on cliff 7 Falls, Catalinas* **Ranger54**
 13:30 – 15:40 A male climbed the side of the canyon at 7 Falls and was returning by a different route and became stuck. While SAR was responding, another male climbed to assist and both reached the bottom without problems.
- Sun June 07** 8/ 9/ *??ym hiker lost* **Lower TV Canyon, Rincons** **RMFD**
No field times A hiker was climbing out of the canyon and was unable to find a trail. He was close to the cattleguard and Rural Fire was able to retrieve him without problems.
- Sat July 11** 16/ 40/ *60ym hiker head injury* **Agua Caliente Trail, Catalinas** **Sheriff1 RMFD**
 07:40 – 09:05 A hiker tripped and hit his head, then became less oriented while continuing down trail and having problems walking. SAR teams met him about a mile up trail, and Sheriff1 hoisted him south to Tanque Verde Elementary School.
- Sat July 11** 12/ 84/ *45ym missing* **Madera Canyon, Santa Ritas** **Sheriff1 SantaCruzSO**
 11:20 – 15:30 A male reported his companion missing in Madera Canyon, not equipped for hiking and wearing flip-flops. Teams covered the Bog Spring and Kent Spring Trails, and several nearby drainages with nothing found.
- Sun July 12** 14/ 92/ *45ym missing* **Madera Canyon, Santa Ritas** **SantaCruzSO**
 10:40 – 14:20 Continuation of search, shifting to the Carrie Nation drainage near the upper trailheads. Several drainages were covered, and other evidence checked and documented. The search continues on the investigative side with SantaCruzSO.
- Sun July 26** 13/ 45/ *30yf hiker exhausted* **Lower TV Canyon, Rincons** **Sheriff1 RMFD**
 10:00 – 12:10 One of a pair of hikers became exhausted and could not hike up the trail. Her vitals were weak, so she was hoisted out of the canyon.
