### SARCI BOARD MEETINGS

by SARNews, [sarcinewsletter@sarci.org](mailto:sarcinewsletter@sarci.org)

SARCI Board meetings are held at the SARA House at 19:30 (7:30 pm) on the third Wednesday of January, April, July, and October. During COVID-19, these meetings are being held on-line. Ask if you are interested in “attending”.

### SABINO CANYON PARKING

With the new electric trams in Sabino, we will NOT be able to leave unattended vehicles at Tram Stop 9. During hours of Canyon Crawler operation, everyone will need to park at TS-8 and be shuttled to TS-9. The ONLY vehicles at TS-9 will be IC and Ops vehicles attended with drivers so they can move as the tram passes through.

### EMERGENCY RESPONSE MANAGER PHOTOS

by Brooke Fawcett, [Brooke.Fawcett@sarci.org](mailto:Brooke.Fawcett@sarci.org)

We are collecting photos for the “My ID” page on the response app (ERM). Photos can be sent to Records and there will be an opportunity to be ‘shot’ at the SARA general meeting (when physical meetings are held). Guidelines: A head and shoulders shot like a passport. Plain light colored background. Wearing your uniform.

### EMERGENCY RESPONSE MANAGER HELP

by Brooke Fawcett, [Brooke.Fawcett@sarci.org](mailto:Brooke.Fawcett@sarci.org)

“If I’m at one area of the trail and my team mate is up trail from me, how far away is she really?”

“Does anyone know the weather up canyon from us right now?”

“When does my CPR expire?”

“How do I get in touch with another member in the group?”

Questions about how to use all these capabilities - and more - in ERM? Please don't hesitate to contact Brooke Fawcett! (Just open your ERM app, click Contacts, and type in her name.)

### SARCI MEDICAL TRAINING

by Cory Szach, [cory.szach@sarci.org](mailto:cory.szach@sarci.org)

Medical classes are available to members of all SARCI component groups. A listing of classes is included in the SARA section below.

### SARCI ROSTERS DURING COVID-19

by SARCI Records, [records@sarci.org](mailto:records@sarci.org)

Rosters are appropriate and requested for on-line activities, including meetings and training sessions. A simple list of names and in/out times are sufficient (send the lists to Records). Bonus points are available for anyone who adds that information to a copy of the file "SARCI\_Mission\_Response\_Log\_Data\_Entry" available on the SARCI data page (normal login needed):

### **SAMSAR CALENDAR**

**Sep 15 18:00 Tue Board and General Meeting** Forty Niner Country Club, 12000 E. Tanque Verde

SAMSAR is sad for the loss of an incredible member, retired, Larry Caugh, who lost his battle with cancer. Larry had over 20 years of SAR experience with the posse and later, SAMSAR. He was great hand with mules and horses, assisting with PCSD candidate hikes as well as SARA candidate training. He was a wonderful mentor to many, taught us all with his humor and diplomacy. Anyone wishing to send a card, feel free to text me 520-990-7499 or email me for the address to his widow. RIP Larry! RIDE THAT MULE!

A SARA Candidate Orientation with horses has been rescheduled for November. SAMSAR has MANY members out of state, lots of horse lameness going on! This heat is brutal! Hoping for some normalcy soon.

See ya on the trail!

### **BOARD OF DIRECTORS – COVID-19 DIRECTION**

by Sean Fawcett, [Sean.Fawcett@sarci.org](mailto:Sean.Fawcett@sarci.org)

On March 20 the board directed that SARA suspend all activities except missions. And on May 15 the board continued the suspension of indoor activities not related to missions. Information now available shows that the COVID-19 risk has not declined as expected. The need to avoid exposure to rescue personnel and equipment remains at a heightened level.

The Board directs that SARA continue to suspend all indoor activities not related to missions (trainings, meetings, etc.) until further notice. Outdoor training and activities may continue with careful adherence to CDC guidelines for mitigating the spread of COVID-19.

We as an organization must protect our members (teammates), our equipment, the public we serve, and all those we contact by wearing masks. The Board expects all participants in any organized SARA activity to use a mask whenever possible, adhere to social distancing recommendations, frequently disinfect equipment, and frequently wash/sanitize hands. More specific SARA COVID-19 Guidelines were published by the SARA Medical Chairs (via Amy) on May 15 and will be updated monthly. SARA Members need to be aware of and adhere to these guidelines.

No member may attend any SARA activity if they have any symptoms of COVID-19. This can include fever, chills, cough, shortness of breath, sore throat, headache, body aches, or loss of taste or smell. If a member develops any symptoms, he or she may not return to training or calls until at least 10 days after the onset of symptoms AND at least 3 days (72 hrs) without fever (without the use of fever-reducing medications) and an overall reduction in symptom severity.

Due to the potential impact of this directive on re-certification opportunities, SARA will extend the freeze on field-qualification (FQ) status through **November 30, 2020**. During this time, a field qualified member with an expiring FQ-required certification will remain eligible for deployment in the field, upon approval by the mission IC, but will need to address any expired certs by **November 30**.

The Board will continue to monitor developments, and update this directive at least monthly. Exceptions to this policy will be subject to Board approval. Please let me know if you have any questions.

### **SARA BOARD – UNIFORM SHIRTS**

by Joe Barr, Secretary, [joe.barr@sarci.org](mailto:joe.barr@sarci.org)

SARA Members are reminded that SARA has budgeted to provide uniform shirts. Please check with the SARA Store for details. While meetings are suspended, send your requests for information to [Records@sarci.org](mailto:Records@sarci.org).

1. The blue dress shirt embroidered with your name and the SARA logo is available for members that interface with the public.
2. Recognized field uniform shirts are available to active Rescuer, Candidate and Basic members. You may qualify if you have not had one issued, or yours is showing the wear of many missions. Recognized shirts generally include:
  - T-Shirts stocked in SARA Store
  - Orange button down shirts with embroidered name and SARA logo
  - Orange ‘Tru-Spec’ military style shirts with Velcro name and SARA logo

## **RESPONSES DURING COVID TIMES**

*by Sean Fawcett, [Sean.Fawcett@sarci.org](mailto:Sean.Fawcett@sarci.org)*

During this time of COVID-19 and social distancing, there is a modification to the standard response to a request for a mission. While typically when a request for a mission is put out, we allow all members who respond to attend the mission, some items will change now that we are in COVID time.

For missions that do not require a large number of responders, the deputy requesting the alert will work with the SARA member putting out the page to come to a number that is reasonable for the mission. For example the search at Pima Canyon the other night would probably been limited to 3 field people and an Ops vehicle. It is understood that not all missions have the required info up front to determine the number of responders needed.

In the case where additional resources are needed, a page requesting additional assistance will be put out. If the request is for 3 people, the desire is not to have the first 3 people that respond, but that the responses be the first 3 that are in close location to the rendezvous.

If no number is specified in the alert, it is assumed to be a normal call for any available resources.

Before responding, you can check the list of responders to see how many people have already responded.

## **NOTES FROM THE SECRETARY**

*by SARA Secretary, [joe.barr@sarci.org](mailto:joe.barr@sarci.org)*

The SARA Policy document was updated effective Aug 20, 2020. A copy is available on SARA Documents.

Changes of note:

- By 1/1/21 Rescuers are required to have an NrEMR or Arizona EMCT (EMT-Paramedic) or Arizona Medical License. There are bridge courses being offered for those holding WFR or OEC to obtain NrEMR.
- Rescuers are required to obtain 8 hrs of continuing medical education (CME) every 2 years covering wilderness related care topics. Wilderness related CMEs will be identified or offered by MTSC. Those maintaining current WEMR, WFR or OEC certifications are deemed to meet this requirement.

Another change to SARA Policy is being reviewed, which would recognize active members as having paid their annual dues. Details at the Sept Board meeting.

The Board's COVID Directives Update continues to exclude indoor, in-person meetings and trainings except by Board approved exemption. As a result the Field Qualification Freeze (Those Field Qualified on March 19 or later can continue to respond with an expired cert) is extended through the end of November. If you have questions about this please contact [Records@sarci.org](mailto:Records@sarci.org).

## **MRA CORNER**

*by John Bechman, [john\\_bechman@sarci.org](mailto:john_bechman@sarci.org)*

The MRA would like a PIO for each region. This person will be the point of contact for all SAR activities in the region. This includes all of Arizona and Las Vegas. This assignment may require travel to, participation in and knowledge of all emergency activities in the Southwest Desert Regional SAR. Training will be provided to candidates. If you are interested please contact John Bechman and include pertinent qualifications and curriculum vitae.

SARA has received MRA Member Cards for 2020-2021. These were provided in one PDF file, so if you need a copy of your card, ask Records.

## **OEC CORNER**

## SARA MONTHLY TRAINING

by Justin Peterson, [justin.peterson@sarci.org](mailto:justin.peterson@sarci.org)

September's monthly training will focus on technical rope rescue systems, and is scheduled to take place on Saturday, September 12 from 08:00-14:00 at the pedestrian bridge at River & Craycroft. At least one station will be set for **all sign-offs** for Awareness and Operations, while another station will be set for **rigging-only sign-offs** for Technicians; a rescue truck will be present for the training. This particular training is scheduled later than usual to accommodate for potential absences over Labor Day weekend. Remember to bring the usual loadout of full rescue packs, snacks, and plenty of water, as well as sun protection. I especially want to encourage both current and former Technicians to join us for this training to help coach and encourage everyone in developing their rope rescue skills.

Parking is tight at this location – if feasible, consider carpooling. We have permission to park in the PCSD-marked areas, which are indicated in the image below. Our preference is to stack vehicles in parking area #3. It would be prudent to have SARA stickers visible on vehicles - alternatives, such as an extra SARA shirt on the dashboard, will suffice. For parking area #4, please keep at least one space available for PCSD use.

If anyone has any questions or concerns, don't hesitate to contact myself, Galen Smith, or Brent Olivas. Look forward to seeing you there!

Below is the medical training currently being offered by the SARA Medical Committee. These trainings are open to members of all SARCI component groups. Where space is available, Caver SMEs are welcome. Members can register for the sessions by following the links provided or by emailing me directly. The sessions will be offered at the SARA House so long as current CDC, county, city, and SARA policies are able to be followed. We understand the situation is ever changing due to the COVID-19 pandemic and we will do our best to communicate cancellations or changes in the format in which the courses will be offered (limited class sizes, outdoors, online, etc). We want to do our best to make the most responsible decisions.

**Cardio-Pulmonary Resuscitation (CPR):** The sessions below will be offered for AHA Basic Life Support Provider certification. Participants are required to bring their own ventilation barrier device (mask or shield). The course is \$5.00 to cover the AHA fee for issuing your CPR card. This will be payable to the instructor via cash or check made out to “Southern Arizona Rescue Association”.

Session 3: Sept 01, Tues (18:00-22:00)

**Blood Borne Pathogens (BBP):** It is an AZ state requirement that all search and rescue volunteers take an OSHA BBP class once per year. (An on-line refresher BBP class is available using links recently emailed to SARA Members)

*No BBP classes are currently scheduled (SARA members can use the on-line refresher through our insurance)*

**Naloxone Administration:** Due to the nation-wide opioid crisis, the State of Arizona recommends all first responders be trained in the administration of Naloxone. SARA offers this optional training to all SARCI members free of charge. To remain current it is recommended rescuers re-take this training once every two years.

*No Naloxone classes are currently scheduled*

**Wilderness Emergency Medical Responder (WEMR):** The fall WEMR class will run from Tues Sep 08 to Sat Nov 07. Classes will be every Tuesday and Thursday evening from 18:30-22:00 with four Saturday classes from 08:00-17:00 on Sept 26, Oct 10, Oct 24 and Nov 07.
