SARCI BOARD MEETINGS

by SARNews, sarcinewsletter@sarci.org

SARCI Board meetings are held at the SARA House at 19:30 (7:30 pm) on the third Wednesday of January, April, July, and October. During COVID-19, these meetings are being held on-line. Ask if you are interested in "attending".

SABINO CANYON PARKING

With the new electric trams in Sabino, we will NOT be able to leave unattended vehicles at Tram Stop 9. During hours of Canyon Crawler operation, everyone will need to park at TS-8 and be shuttled to TS-9. The ONLY vehicles at TS-9 will be IC and Ops vehicles attended with drivers so they can move as the tram passes through. SPEED LIMIT 15 MPH

SARCI ROSTERS DURING COVID-19

by SARCI Records, records@sarci.org

Rosters are appropriate and requested for on-line activities, including meetings and training sessions. A simple list of names and in/out times are sufficient (send the lists to Records). Bonus points are available for anyone who adds that information to a copy of the file "SARCI_Mission_Response_Log_Data_Entry" (use normal login):

http://www.sarci2.org/data/SARCI_Mission_Response_Log_Data_Entry_201810.xlsx

SARCI MEDICAL TRAINING

by Cory Szach, cory.szach@sarci.org

Medical classes are available to members of all SARCI component groups. A listing of classes is included in the SARA section below. Additional listings are included in the Divers section.

EMERGENCY RESPONSE MANAGER HELP

by Brooke Fawcett, Brooke.Fawcett@sarci.org

Questions about how to use all these capabilities - and more - in ERM? Please don't hesitate to contact Brooke Fawcett! (Just open your ERM app, click Contacts, and type in her name.)

2022 ARIZONA SAR CONFERENCE, Heber Arizona

by Jeremy Ramirez, PCSD

Cancellation and close dates will be 10 days before the start of the K9 conference.

K9 Conference

Wednesday April 20 – Friday April 22. Check in starts Tuesday April 19 at 15:00. Fee is TBD.

This years K9 conference is on Pima, so details will change as they are determined.

SARCON

Friday April 22 – Sunday April 24 at noon. Check in starts Thursday April 21 at 13:00.

The SARCON registration fee is the same at \$65 plus the pass-thru RSVPBook and PayPal fees. Camp fees for food and lodging may be the same: \$7/day for walk in, tent, dry camp, RV. \$11 or \$16 per night depending on the dorm area. Breakfast \$5.50, lunch \$6.50, dinner \$8.00, and steak dinner \$17.50.

We have an outline of required classes to fulfill the task books and a list of wanted classes. SARA will again be asked to present low angle 4 hour classes. I believe we will waive, at the minimum, registration for 2 instructors per course.

SRDI CALENDAR

Monthly Meetings

On-line TEAMS

- SRDI held its first teamwide IPWDA (International Police Working Dog Association) certification. Our K9 teams were very successful with November's IPWDA Certifications. Handlers faced some very challenging situations and learned many training aspects to address in our training. We are proud that we attempted IPWDA's newest HRD certification: 20-acres, one hour, two large sources – and each of the teams were successful. It is always educational to work with master trainers who are police officers and have been in countless situations. We appreciate the wealth of knowledge and training expertise that Heather shared with us.
- A few SRDI members and dogs will be attending the Forensic Anthropology Center at Texas State (FACTS) Seminar in December. This is a brand-new seminar for Air Scent with introduction to whole body. Karen is privileged to be one of the instructors.
- The FACTS Level 2 seminar is scheduled for March 11-13, 2022. Registration should open December 1.
- Ann Christensen will present two weekends of HRD workshops here in Tucson in February. We have several teams from around the State and as far away as Washington State anxious to participate in Ann's training.
- SRDI is honored to be the organizing team for the K9 track of the AZ SARCON in April, 2022 (AZK9 SARCON April 20-22, 2022; AZ SARCON April 22-24, 2022). Stacey Thomas, SRDI Member and UA Veterinary School Cohort 1, will be presenting a K9 First Aid class for the benefit of all AZ dog handlers.

SARCI members are invited to join us for training at any time. If you are interested in attending one of our trainings, please email us at [K9 @ sarci.org](mailto:K9@sarci.org), or [Karen.Paquette @ sarci.org](mailto:Karen.Paquette@sarci.org), or call Karen Paquette (275-2074). SRDI's monthly meeting is the first Wednesday of each month at the SARA House.

Steven Davis	Jessica Honea	Andrew Okonya	Jim Wang	

Our December General Monthly meeting is going to be held as a hybrid meeting. It will still be available virtually with the same Teams link as in the past but will also be held at the SARA House in person.

Deputy Boll is retiring from the Pima County Sheriff's Department. We will be recognizing him for the great support, assistance, partner, leader and friend that he has been to us and in the SAR community. If you are able, please attend in person at the SARA House to help us show our appreciation and thank you to Deputy Boll.

2021 SARA MONTHLY TRAINING SCHEDULE

by Sean Fawcett, sean.fawcett@sarci.org

The Winter Skills Classroom will be held at the SARA House (preferred) and via Teams Wednesday December 8 at 18:30.

The Winter Skills training is two parts, the classroom session and the outdoor skills session. The outdoor session will be scheduled when winter conditions exist. Sometimes there may be one week or less notice based on predicted winter storms.

For new candidates, attendance to both the classroom session and the outdoor session are required for an orange card signoff.

SARA TECHNICAL TRAINING

by Galen Smith, galen.smith@sarci.org

December's monthly training will be a personal rope skills exercise at the Craycroft Pedestrian Bridge.

Dec 04, Sat 08:00 to 12:00.

There will be a demonstration for how to rappel and ascend past a knot (a technician level task-book sign off). Ropes will be set up for rappelling and ascending practice and stations will be set up for sign offs at all levels; Awareness, Operations, and Technician.

Please indicate what sign offs you need in the comments of this RSVP:

<https://forms.office.com/r/f4K3w2eSmS>

Here is a brief outline of the upcoming task book sign off opportunities over the next couple of months so you can make plans to get the sign offs you need to stay field qualified:

Jan 12, Wed TBA. Rigging session at the SARA House. Task book sign offs for Awareness, Operations and Technicians.

Jan 15, Sat TBA. Location TBA. Technician Level Litter Scoop field exercise. Task book sign offs for Awareness, Operations, and Technicians.

Feb 16, Wed 18:00 to 22:00 technician level training at the PCS Tower. Task book sign offs for Awareness, Operations, and Technicians.

As always, stay tuned to emails for updated information about these trainings and feel free to reach out with any questions.

CPR CLASS

by Amy McPherson, amy.mcpherson@sarci.org

On **Tuesday, December 14 at 6pm** we will be teaching an AHA BLS CPR class at the SARA House. Seats are limited so please RSVP here: <https://forms.office.com/r/LiirE7xTcc>

OEC CORNER

by Mona Johnson, mona.johnson@sarci.org

The dates for the 2022 OEC Cycle C Refresher are:

Sunday, September 25, 2022

Saturday, October 15, 2022

We are currently evaluating both the in person only and hybrid courses and will provide information on which will be used closer to the refresher dates

RESPONSES DURING COVID TIMES

by Sean Fawcett, sean.fawcett@sarci.org

During this time of COVID-19 and social distancing, there is a modification to the standard response to a request for a mission. While typically when a request for a mission is put out, we allow all members who respond to attend the mission, some items will change now that we are in COVID time.

For missions that do not require a large number of responders, the deputy requesting the alert will work with the SARA member putting out the page to come to a number that is reasonable for the mission. For example the search at Pima Canyon the other night would probably been limited to 3 field people and an Ops vehicle. It is understood that not all missions have the required info up front to determine the number of responders needed.

In the case where additional resources are needed, a page requesting additional assistance will be put out. If the request is for 3 people, the desire is not to have the first 3 people that respond, but that the responses be the first 3 that are in close location to the rendezvous.

If no number is specified in the alert, it is assumed to be a normal call for any available resources.

Before responding, you can check the list of responders to see how many people have already responded.

BOARD OF DIRECTORS – COVID-19 DIRECTIVES – June 17, 2021

by Joe Barr, SARAscretary@sarci.org

On March 20th 2020 the board directed that SARA suspend all activities except missions. And on May 15th 2020 the board continued the suspension of indoor activities not related to missions. Although vaccinations are now widely available COVID-19 still presents a substantial risk and the consequences of infection can be devastating. The need to avoid exposure of rescue personnel and equipment to COVID-19 remains a concern.

The Board directs that all indoor SARA activities be conducted in accordance with Southern Arizona Rescue Assn **Indoor Training Safety Guidelines dated 06/28/2021** (included below), as may be updated and published by MTSC (Medical Training and Standards Committee) from time to time. Indoor activities within the SARA facility involving more than fifteen (15) individuals and not related to missions (trainings, meetings, etc.) continue to be suspended until further notice. Outdoor training and activities may continue with a careful adherence to CDC guidelines for mitigating the spread of COVID-19.

We as an organization must protect our members (teammates), our equipment, the public we serve and all those we contact. The Board expects all participants in any organized SARA activity to use a mask where appropriate, adhere to social distancing recommendations, frequently disinfect equipment, and frequently wash/sanitize hands. Unvaccinated individuals

are expected to wear a mask where social distancing cannot be maintained. No member may attend any SARA activity if they have any symptoms of COVID-19. This can include fever, chills, cough, shortness of breath, sore throat, headache, body aches, or loss of taste or smell. If a member develops any symptoms, he or she may not return to training or calls until at least 10 days after the onset of symptoms AND at least 3 days (72 hrs.) without fever (without the use of fever-reducing medications) and an overall reduction in symptom severity.

The Board will continue to monitor developments and review this directive at least monthly. Exceptions to this policy will be subject to MTSC approval.

COVID-19 INDOOR TRAINING SAFETY GUIDELINES (06/28/21) by Amy McPherson, amy.mcpherson@sarci.org

This document presents the safety guidelines that shall be implemented for indoor training during the COVID-19 pandemic.

Before Class Health Screening:

If you have any of the following conditions please consider not attending the event:

- Fever (Temperature of 100.4 or greater) plus cough and shortness of breath/ difficulty breathing
- Chills
- Congestion or runny nose
- Muscle pain
- Sore throat
- New loss of taste or smell
- Diarrhea
- Nausea or vomiting
- Fatigue

During Class Precautions:

The following precautions will be used during time in the classroom:

- Maintain social distancing of 6 feet or more when possible.
- Masks shall be worn by those not fully vaccinated for COVID-19. Masks are optional for those fully vaccinated.
- Reminders will be given to wash or sanitize hands.

Hands on Scenario Precautions:

- Masks and eye protection will be required.
- Nitrile gloves will be used and changed in between patient contacts.

Classroom Hygiene:

- All equipment and indoor surfaces used will be cleaned and sanitized after/between use
- Tables, chairs, equipment will be sprayed down with disinfectant before/after training
- All unneeded equipment and furniture will be kept separate and clean
- Medical equipment will be disinfected between patient contacts
- Instructors will thoroughly wipe down and disinfect surfaces after class
- During indoor meetings or trainings air vent fans will be set to "On" throughout the building.

Post-Training COVID-19 Exposure or Diagnosis

- Should a student develop symptoms or receive positive COVID-19 test results within 14 days after attending training, it is recommended that they notify the Medical Chairs (SARAMedicalChairs@sarci.org) and advise of their current symptoms and/or positive test.
- Should the Medical Chairs become aware of a student with symptoms/positive test, the Medical Chairs will work with that student and/or Records to determine what trainings or calls that person attended in the previous 14 days.
- The Medical Chairs will contact persons who attended the same trainings as a person reporting positive symptoms/test results in the past 14 days and advise that they may have been exposed to someone with COVID-19 and should contact their doctor should they develop symptoms or have any questions. Persons will be advised of what symptoms to watch out for (above) and to get a COVID-19 test if necessary. The identity of the person reporting positive symptoms/test results will be kept confidential and will not be shared with training attendees.
- Persons who develop symptoms and/or receive a positive test should follow current isolation recommendations, as directed by ADHS. They will be permitted to attend trainings/calls once the recommended isolation period and time since last symptoms have been satisfied.

SARA MEDICAL TRAINING

by John DiMiceli, john.dimiceli@sarci.org

Below is the medical training currently being offered by the SARA Medical Committee. These trainings are open to members of all SARCI component groups. Where space is available, Caver SMEs are welcome. Members can register for the sessions by following the links provided or by emailing me directly. The sessions will be offered at the SARA House so long as current CDC, county, city, and SARA policies are able to be followed. We understand the situation is ever changing due to the COVID-19 pandemic and we will do our best to communicate cancellations or changes in the format in which the courses will be offered (limited class sizes, outdoors, online, etc). We want to do our best to make the most responsible decisions.

Cardio-Pulmonary Resuscitation (CPR): The sessions below will be offered for AHA Basic Life Support Provider certification. Participants are required to bring their own ventilation barrier device (mask or shield). The course is \$5.00 to cover the AHA fee for issuing your CPR card. This will be payable to the instructor via cash or check made out to "Southern Arizona Rescue Association".

Dec 14, Tues 18:00 at SARA House: AHA BLS CPR: RSVP: <https://forms.office.com/r/LiirE7xTcc>

Wilderness First Aid (WFA): The following session is scheduled. There are no fees or required materials for this course. Weekday sessions will be held from 18:30 - 22:00 and Weekend sessions from 08:00 - 17:00.

No WFA classes are currently scheduled

Blood Borne Pathogens (BBP): It is an AZ state requirement that all search and rescue volunteers take an OSHA BBP class once per year. Completion of the Bloodborne Pathogens class and its associated quiz constitute an annual recertification requirement for all SARCI component groups. The SARA Medical Training and Standards Committee is pleased to currently offer two options for fulfilling this requirement:

1. A live online class presented by our own George Simons on Teams, followed by an online quiz, occurring 3-4 times a year, with the next class likely occurring this spring; or
2. NEW - A self-paced online presentation, also narrated by George, at the end of which the viewer is presented with a link to complete the online quiz. This self-paced presentation is available anytime 24/7 to SARCI members at the link below:

<https://sarci.sharepoint.com/:p:/s/saramedical/ERi6plR4RjtKoLWsCNpr-h8BdM3WoXiZfJWwsJfTSoJcqw>

Simply click to advance through the slides; the narration will play automatically. The presentation is about 40-45 minutes in length. You will need to log in to Microsoft 365 with your SARCI credentials to access the presentation and the quiz. I will collect quiz results and submit them to Records for you.

Questions about the course content can be directed to George or the MTSC. For questions about the quiz, you can contact me, or if you need assistance logging in to Microsoft 365, you can contact me or saratechnology@sarci.org.

Finally, there are several online classes offered by third parties that may be acceptable for fulfilling the requirement. Please check with the MTSC and Records in advance to verify that a given external class is satisfactory for this requirement.

Naloxone Administration: Due to the nation-wide opioid crisis, the State of Arizona recommends all first responders be trained in the administration of Naloxone. SARA offers this optional training to all SARCI members free of charge. To remain current it is recommended rescuers re-take this training once every two years.

No Naloxone classes are currently scheduled

Wilderness Emergency Medical Responder (WEMR):

No WEMR classes are currently scheduled

ASHI Training

SARA has been approved to be an ASHI Training Center. We are fishing up the details now, and will soon be able to issue Basic First Aid and Advanced First Aid cards from ASHI. We will make a full announcement with all the details once we are fully operational. We will continue to teach our WFA and WEMR courses like we have been. These new certs will be an optional supplement to those who need a certification card for SARTEch and other qualifications. We are looking at using these classes for PR events in the future.

If you have any questions or concerns please send them to the Medical Committee at saramedical@sarci.org

Date	Vol/Hrs/ Problem	Location	Resources
------	------------------	----------	-----------

Mission Hrs now show total portal-to-portal times (not Rdvs). Mission times now show Field IN/OUT times (not Rdvs).

Sun Oct 31 8/ 15/ ??yf emergency beacon Bear Canyon, Catalinas

12:30 – 12:55 An emergency call was received by 911 without any message. Teams heading up Bear Canyon found a pair of women who had the phone used for the call. She knew nothing about any problem. Her phone was in her pack.

Sun Nov 07 5/ 18/ ??yf hiker without lights Marshall Saddle, Catalinas

18:05 – 19:05 A female hiker without lights was met in Marshall Saddle and all hiked out without problems.

Sat Nov 13 10/ 31/ 8 f hikers lost – All Trails Upper Tanque Verde Canyon, Rincons

17:14 – 18:46 A group hiked up the “Blue Dot Trail” to the stream, and were unable to follow the trail about half-way out. Teams met them, served refreshments, and all hiked out without problems. They were using the All Trails app, showing a “Vetted” trail. This is barely more than a route (no trail, mostly cross-country navigation).

Sun Nov 14 15/ 28/ 65ym fall injury Marshall Saddle, Catalinas

MLFD PCSD

No field times A hiker fell and injured his face and called for help. He was met partway down the Marshall Gulch Trail by a deputy and Mt.Lemmon Fire, and all hiked out without problems.

Fri Nov 19 20/ 237/ 22yf 26ym hikers exhausted Cathedral Trail, Catalinas

Survey Sheriff1

21:24 – 11:00 Two hikers started on the Mint Spring Trail about 09:00, intending to hike out Esperero Canyon. They almost made it to Cathedral Saddle by dark and called for help as they got high enough to have cell coverage. Teams arrived about 03:00 and worked on their issues. They headed down West Fork to an LZ above Hutch's Pool where Sheriff1 picked them up. Teams hiked out.

Sat Nov 20 13/ 28/ 30yf hiker exhausted Ventana Canyon Trail, Catalinas

RMFD

12:35 – 13:20 A hiker was having anxiety issues and related symptoms. A hasty team and RMFD met the group, and all were able to hike out without issues.

Sun Nov 21 7/ 60/ ??ym hiker off trail Miller Creek Trail, Rincons

20:40 – 00:50 A hiker returning from Mica Mtn lost the trail about halfway down trail from Happy Valley Saddle. A very brief call was received by 911. Survey spotted a fire and provided coordinates well off trail. The team made voice contact from the trail and worked their way to the hiker. All returned to the trail and hiked out without problems.

Thu Nov 25 5/ 30/ 19ym hiker ankle injury Oracle Ridge Trail, Catalinas

15:20 – 17:40 A family of three was hiking AZT when one turned an ankle at Rice Peak, could not bear weight. Team of Sean, Meghann, Cody, Chuk and Stokes went in via PCSD UTV. Jason, Manny and Joe started in on foot. Plan was to drop Hasty as close as UTV could get then shuttle Team 2 up to the same point then Stokes to UTV. Chuk managed to get UTV to scene by backing up the last couple hundred yards. Good thing because wheel axle pin was missing and there was limited room to turn around at scene. Subjects were very cold but otherwise okay, except for the ankle/foot injury. Splinted patient was carried out by UTV while Hasty walked family down the ridge. UTV returned and got the rest out in a packed (6) ride.

Manny changed the sandwich splint to one made with folded yellow space blanket and duct tape (disposable) and subject left by POV.
