SARCI BOARD MEETINGS

by SARNews, sarcinewsletter@sarci.org

SARCI Board meetings are held at the SARA House at 19:30 (7:30 pm) on the third Wednesday of January, April, July, and October. During COVID-19, these meetings are being held on-line. Ask if you are interested in "attending".

SABINO CANYON PARKING

With the new electric trams in Sabino, we will NOT be able to leave unattended vehicles at Tram Stop 9. During hours of Canyon Crawler operation, everyone will need to park at TS-8 and be shuttled to TS-9. The ONLY vehicles at TS-9 will be IC and Ops vehicles attended with drivers so they can move as the tram passes through. SPEED LIMIT 15 MPH

SARCI ROSTERS DURING COVID-19

by SARCI Records, records@sarci.org

Rosters are appropriate and requested for on-line activities, including meetings and training sessions. A simple list of names and in/out times are sufficient (send the lists to Records). Bonus points are available for anyone who adds that information to a copy of the file "SARCI_Mission_Response_Log_Data_Entry" (use normal login):

http://www.sarci2.org/data/SARCI_Mission_Response_Log_Data_Entry_201810.xlsx

SARCI MEDICAL TRAINING

by Cory Szach, cory.szach@sarci.org

Medical classes are available to members of all SARCI component groups. A listing of classes is included in the SARA section below. Additional listings may be listed in the Divers section.

EMERGENCY RESPONSE MANAGER HELP

2022 ARIZONA SAR CONFERENCE, Heber Arizona

by Jeremy Ramirez, PCSD

Cancellation and close dates will be 10 days before the start of the K9 conference.

K9 Conference

Wednesday April 20 – Friday April 22. Check in starts Tuesday April 19 at 15:00. Fee is TBD.

This years K9 conference is on Pima, so details will change as they are determined.

SARCON

Friday April 22 – Sunday April 24 at noon. Check in starts Thursday April 21 at 13:00.

The SARCON registration fee is the same at \$65 plus the pass-thru RSVPBook and PayPal fees. Camp fees for food and lodging may be the same: \$7/day for walk in, tent, dry camp, RV. \$11 or \$16 per night depending on the dorm area. Breakfast \$5.50, lunch \$6.50, dinner \$8.00, and steak dinner \$17.50.

We have an outline of required classes to fulfill the task books and a list of wanted classes. SARA will again be asked to present low-angle 4-hour classes. I believe we will waive, at the minimum, registration for 2 instructors per course.

Board and General Meeting

Forty Niner Country Club, 12000 E. Tanque Verde

A HUGE congrats to Deb Mitchell and Mike and Chris Massimi for completing a major clinic in Law Enforcement Training and Desensitizing clinic. Emma, the mare had already been through and passed with flying colors years ago. This time it was Branch's turn and Chris went through it six months ago and this time Mike was Branch's partner. Invaluable work on trust and understating your horse!

See ya on the trail!

SARA BUDGET COMMITTEE

by John Perchorowicz, john.perchorowicz@sarci.org

After a number of years of service, three members of the SARA Budget Committee have decided that it is time to pass the torch to a new crew. This will be their last year. The SARA Board/Treasurer will be looking for individuals to join the committee. This activity is important to SARA's long term financial health. As you'll see below, the committee doesn't set the budget as that's a strategic SARA Board decision.

For those interested, the committee's role is to gather the information necessary for the SARA Board to set the budget for the following year. As SARA's fiscal year begins on 1 April the budget must be adopted prior to that date. The current committee typically meets in January and assigns categories to various members who in turn contact committee chairs for their wish lists for the coming year. This information is put into a spreadsheet which is provided to the board at the February meeting. This gives the board two meetings to discuss, refine and adopt the following year's budget at the March board meeting. The budget committee has on occasion begun the process earlier however the adoption deadline remains.

The committee is currently gathering the data from SARA committees. Individuals interested in joining the committee are encouraged to participate/observe the process for the current cycle. Please feel free to reach out to John Perchorowicz, current chair with questions or offers to join. COVID-19 precautions will be followed and changing conditions may impact our ability to offer these sessions in person. At this time a hybrid Teams option is NOT being offered.

24 HOURS IN THE OLD PUEBLO RECAP

by Cathy Wasmann, cathy.wasmann@sarci.org

As it has since 2008, SARA provided medical support for the 24 Hours in the Old Pueblo mountain bike race. This year, 59 patients were treated. There were no ground ambulance or helicopter evacuations during the race, but one patient was evacuated by ground ambulance on Friday. This was the year of shoulder/clavicle injuries with six such injuries. As usual, there was much road rash and cactus in abundance. Fifteen SARA members assisted with the medical mission at the event. In addition, several members were involved in race communications and the official timekeeper and results person was a SARA member. Due to the relatively minor nature of the injuries, we did not need the assistance of the Paramedic and EMT from American Medical Response, who were on scene for the duration of the event. The next race is the Whiskey Off-Road mountain bike race in Prescott on April 29-May 1. Contact Cathy Wasmann for more information, or checkout the Epic Rides website.

OEC CORNER

by Mona Johnson, mona.johnson@sarci.org

We are currently planning on providing an Outdoor Emergency Care Course, open to members of all SARCI groups, in the Spring of 2023. If you are interested in taking, or have questions about this course, please let me know.

The dates for the 2022 OEC Cycle C Refresher are:

Sunday, September 25, 2022

Saturday, October 15, 2022

We will provide more information on the refresher closer to the dates.

RESPONSES DURING COVID TIMES

by Sean Fawcett, sean.fawcett@sarci.org

During this time of COVID-19 and social distancing, there is a modification to the standard response to a request for a mission. While typically when a request for a mission is put out, we allow all members who respond to attend the mission, some items will change now that we are in COVID time.

For missions that do not require a large number of responders, the deputy requesting the alert will work with the SARA member putting out the page to come to a number that is reasonable for the mission. For example the search at Pima Canyon the other night would probably been limited to 3 field people and an Ops vehicle. It is understood that not all missions have the required info up front to determine the number of responders needed.

In the case where additional resources are needed, a page requesting additional assistance will be put out. If the request is for 3 people, the desire is not to have the first 3 people that are responding, but that the responses be the first 3 that are in close location to the rendezvous.

If no number is specified in the alert, it is assumed to be a normal call for any available resources.

Before responding, you can check the list of responders to see how many people are already responding.

This document presents the safety guidelines that shall be implemented for indoor training during the COVID-19 pandemic.

Before Class Health Screening:

If you have any of the following conditions please consider not attending the event:

- Fever (Temperature of 100.4 or greater) plus cough and shortness of breath/ difficulty breathing
- Chills
- Congestion or runny nose
- Muscle pain
- Sore throat
- New loss of taste or smell
- Diarrhea
- Nausea or vomiting
- Fatigue

During Class Precautions:

The following precautions will be used during time in the classroom:

- Maintain social distancing of 6 feet or more when possible
- **Genuine N95 or KN95 masks shall be worn**
- Reminders will be given to wash or sanitize hands

Mask Care:

- Replace when soiled, wet, or damaged
- When not in use, store/dry in paper bag

Hands on Scenario Precautions:

- Masks and eye protection will be required
- Nitrile gloves will be used and changed in between patient contacts

Classroom Hygiene:

- All equipment and indoor surfaces used will be cleaned and sanitized after/between use
- Tables, chairs, equipment will be sprayed down with disinfectant before/after training
- All unneeded equipment and furniture will be kept separate and clean
- Medical equipment will be disinfected between patient contacts
- Instructors will thoroughly wipe down and disinfect surfaces after class
- During indoor meetings or trainings air vent fans will be set to “On” throughout the building.

Post-Training COVID-19 Exposure or Diagnosis

- Should a student develop symptoms or receive positive COVID-19 test results within 14 days after attending training, it is recommended that they notify the Medical Chairs (SARAMedicalChairs@sarci.org) and advise of their current symptoms and/or positive test.
- Should the Medical Chairs become aware of a student with symptoms/positive test, the Medical Chairs will work with that student and/or Records to determine what trainings or calls that person attended in the previous 14 days.
- The Medical Chairs will contact persons who attended the same trainings as a person reporting positive symptoms/test results in the past 14 days and advise that they may have been exposed to someone with COVID-19 and should contact their doctor should they develop symptoms or have any questions. Persons will be advised of what symptoms to watch out for (above) and to get a COVID-19 test if necessary. The identity of the person reporting positive symptoms/test results will be kept confidential and will not be shared with training attendees.
- Persons who develop symptoms and/or receive a positive test should follow current isolation recommendations, as directed by ADHS. They will be permitted to attend trainings/calls once the recommended isolation period and time since last symptoms have been satisfied.

SARA MEDICAL TRAINING

by John DiMiceli, john.dimiceli@sarci.org

Below is the medical training currently being offered by the SARA Medical Committee. These trainings are open to members of all SARCI component groups. Where space is available, Caver SMEs are welcome. Members can register for the sessions by following the links provided or by emailing me directly. The sessions will be offered at the SARA House so long as current CDC, county, city, and SARA policies are able to be followed. We understand the situation is ever changing due to the COVID-19 pandemic and we will do our best to communicate cancellations or changes in the format in which the courses will be offered (limited class sizes, outdoors, online, etc). We want to do our best to make the most responsible decisions.

Cardio-Pulmonary Resuscitation (CPR): The sessions below will be offered for AHA Basic Life Support Provider certification. Participants are required to bring their own ventilation barrier device (mask or shield). The course is \$5.00 to cover the AHA fee for issuing your CPR card. This will be payable to the instructor via cash or check made out to "Southern Arizona Rescue Association".

No CPR classes are currently scheduled

Wilderness First Aid (WFA): The following session is scheduled. There are no fees or required materials for this course. Weekday sessions will be held from 18:30 - 22:00 and Weekend sessions from 08:00 - 17:00.

No WFA classes are currently scheduled

Blood Borne Pathogens (BBP): It is an AZ state requirement that all search and rescue volunteers take an OSHA BBP class once per year. Completion of the SARCI Bloodborne Pathogens class and its associated quiz will complete this requirement for all SARCI component groups. The self-paced presentation is available anytime 24/7 to SARCI members at [SARCI BBP Presentation](#).

Log in to Microsoft 365 with your SARCI credentials (if requested), and click on the "Present" link in the upper-right corner to access the narrated presentation and the quiz. Simply click to advance through the slides. The presentation is about 40-45 minutes in length. When it is complete, the quiz will be available. Quiz results will be submitted to Records.

Questions about the course content can be directed to George Simons or the MTSC. For questions about the quiz, or if you need assistance logging in to Microsoft 365, contact Records@sarci.org.

There are several online classes offered by third parties that may be acceptable for fulfilling the requirement. Please check with the MTSC and Records in advance to verify that a given external class is satisfactory for this requirement.

Naloxone Administration: Due to the nation-wide opioid crisis, the State of Arizona recommends all first responders be trained in the administration of Naloxone. SARA offers this optional training to all SARCI members free of charge. To remain current it is recommended rescuers re-take this training once every two years.

No Naloxone classes are currently scheduled

Wilderness Emergency Medical Responder (WEMR):

WEMR classes for the current candidate class are ongoing

ASHI Training

SARA has been approved to be an ASHI Training Center. We are fishing up the details now, and will soon be able to issue Basic First Aid and Advanced First Aid cards from ASHI. We will make a full announcement with all the details once we are fully operational. We will continue to teach our WFA and WEMR courses like we have been. These new certs will be an optional supplement to those who need a certification card for SARTech and other qualifications. We are looking at using these classes for PR events in the future.

If you have any questions or concerns please send them to the Medical Committee at saramedical@sarci.org
