SEARCH AND RESCUE COUNCIL

<http://www.sarci.org>

SARCI BOARD MEETINGS

by SARNews, sarcinewsletter@sarci.org

SARCI Board meetings are held at the SARA House at 19:30 (7:30 pm) on the third Wednesday of January, April, July, and October. These meetings are being held in-person and on-line. Ask if you are interested in attending.

SABINO CANYON PARKING

With the new electric trams in Sabino, we will NOT be able to leave unattended vehicles at Tram Stop 9. During hours of Canyon Crawler operation, everyone will need to park at TS-8 and be shuttled to TS-9. The ONLY vehicles at TS-9 will be IC and Ops vehicles attended with drivers so they can move as the tram passes through. SPEED LIMIT 15 MPH

SARCI ROSTERS

by SARCI Records, records@sarci.org

Rosters are appropriate and requested for on-line activities, including meetings and training sessions. A simple list of names and in/out times are sufficient (send the lists to Records). Bonus points are available for anyone who adds that information to a copy of the file "SARCI_Mission_Response_Log_Data_Entry" (use normal login):

http://www.sarci2.org/data/SARCI_Mission_Response_Log_Data_Entry_201810.xlsx

SARCI MEDICAL TRAINING

by Cory Szach, cory.szach@sarci.org

Medical classes are available to members of all SARCI component groups. A listing of classes is included in the SARA section below. Additional listings may be listed in the Divers section.

EMERGENCY RESPONSE MANAGER HELP

by Brooke Fawcett, Brooke.Fawcett@sarci.org

Questions about how to use all these capabilities - and more - in ERM? Please don't hesitate to contact Brooke Fawcett! (Just open your ERM app, click Contacts, and type in her name.)

SOUTHWEST RESCUE DOGS, INC.

by Karen Paquette, karen.paquette@sarci.org

SRDI CALENDAR

<u>May 04</u>	<u>18:00 Wed</u>	Monthly Meetings	On-line TEAMS
<u>May 07</u>	<u>08:00 Sat</u>	Training	Rail-X Ranch
<u>May 18</u>	<u>18:30 Wed</u>	Training	Brandi Fenton Park
<u>May 22</u>	<u>TBD Sun</u>	Training	TBD
<u>Jun 01</u>	<u>18:00 Wed</u>	Monthly Meetings	On-line TEAMS

Southwest Rescue Dogs, Inc., introduces our 2022 Board of Directors:

Mark Paquette – President	Mike Wilke – Vice President	Jamie Carpenter – Secretary
Ursula Conway – Treasurer	Karen Paquette – Training Director	Tracy Klopp – Member at Large

We also welcome our newest candidate member, Dr. Martha Miller, and her dog, Jack.

SRDI was the organizer for this year's AZK9 SARCON in Heber, AZ. We have just finished that training. It is always such a pleasure to work with other dog handlers from all over Arizona. This year was particularly enjoyable as all participants were welcoming and open minded. We had some excellent lead instructors. We are honored that we had this opportunity to share statewide training.

SARCI members are invited to join us for training at any time. If you are interested in attending one of our trainings, please email us at [K9 @ sarci.org](mailto:K9@sarci.org), or [Karen.Paquette @ sarci.org](mailto:Karen.Paquette@sarci.org), or call Karen Paquette (275-2074). SRDI's monthly meeting is the first Wednesday of each month at the SARA House.

UPCOMING EVENTS

FIRS HRD Training	May 24-25, 2022	Grand Junction, CO
Locating the Dead	June 25, 2022	San Luis Obispo, CA
FACTS Level 3	Oct 1-2, 2022	San Marcos, TX
FACTS Level 1	Nov 4-6, 2022	San Marcos, TX
Ann Christensen HRD Workshop	Feb 2023	Tucson, AZ

PIMA CO. SEARCH & RECOVERY DIVERS

by John Longhofer, divers@sarci.org

DIVERS CALENDAR

<u>May 08</u>	<u>09:00 Sun</u>	Pool Training	DV Pool
<u>Jun 12</u>	<u>09:00 Sun</u>	Pool Training	DV Pool
<u>Jul 10</u>	<u>08:30 Sun</u>	UW and Surface Skills	Black Mountain Reservoir

In April, we checked out all our team gear for performance.

In May and June, we will be working and reviewing our basic dive patterns and communications between ground support and divers.

July we will be at Black Mountain Reservoir, we will continue to work on our basic dive patterns and communications between ground support and divers in open water and low viz conditions. We will meet at Burger King parking lot at 1681 W. Valencia Rd. at 08:30 and head to BMR. Need to be there by 09:00.

SOUTHERN AZ MOUNTED SEARCH AND RESCUE

by Colleen Leon, colleen.leon@sarci.org

SAMSAR CALENDAR

<u>May 14</u>	<u>08:00 Sat</u>	SARA/SAMSAR Training	Mule Power Farms, 2035 N Conestoga
<u>May 17</u>	<u>18:00 Tue</u>	Board and General Meeting	Forty Niner Country Club, 12000 E. Tanque Verde

Looking forward to finally getting together with SARA members new and used ... er ... old ... er ... I mean needing training with our SAR Equine. May 14 is the date, Mule Power Farms is the place 2035 N. Conestoga, and 08:00 to 12:00 is the time.

Working on vetting our two new candidates, Kim Childress and Janet Rowley. Looking like they will be awesome assets to our Mounted Program.

Working on our Medicals, thank you VERY much to Mona Johnson who stepped in last minute. Her time is valuable and we thank her very much! We are a work in process...trying hard to get there!

See ya on the trail!

NEOTOMA COMPOSITE SQUADRON, C.A.P.

by LtCol Robert McCord, cap@sarci.org

CAP SQUADRON CALENDAR

Sundays 15:30-18:00

Golder Ranch Fire Station #380

1175 W. Magee Road, Tucson, AZ 85704

The Civil Air Patrol's Neotoma Squadron actively participates in ongoing search and rescue missions and training exercises at the state, local and national levels. We welcome new members to join the more than 70 members of the nationally recognized emergency services Arizona Wing Ground Team.

Membership: Robert McCord, cap@sarci.org

Web site: <http://www.neotomasquadron.org>

SOUTHERN ARIZONA RESCUE ASSOCIATION

BOARD OF DIRECTORS Recent (from 2021) **BOD MINUTES** (login required) by SARA BoD, SARABoD@sarci.org

Please welcome your new SARA Board of Directors for the 2022 Fiscal Year (* newly elected):

Nic Jones	President	Ed Hartman	Facilities
John Perchorowicz	Vice President / Communications	James Hoiby	Medical
Joe Barr	Secretary / Administration	Jason Schlueter *	Member Services
Eric Davis *	Treasurer / Finance	Chris Yamanaka *	Operations
		John Di Miceli *	Training

An updated Organization Chart will be published after the April Board meeting.

We thank outgoing Board members Sean Fawcett, Andy Lamb, Spencer Graves and Brent Olivas for your dedication and service to SARA.

BOARD OF DIRECTORS – COVID-19 DIRECTIVES

by Joe Barr, SARAscretary@sarci.org

Please be advised that the SARA Board has elected to remove SARA COVID restrictions and follow CDC guidelines.

The current CDC guidelines are at: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html>

MRA CARDS

by Records, records@sarci.org

MRA membership cards for 2022 have been received and are available by request. Please contact records@sarci.org if you would like to obtain yours.

SARA MONTHLY TRAINING

by John Di Miceli, john.dimiceli@sarci.org

Summer is coming! To prepare, our May monthly training will be Summer Skills, hosted by George Simons. The training will take place Saturday May 7 from 08:00 to 12:00 at the SARA House. It will start with an indoor classroom session followed by practice of field skills outside. Please bring appropriate clothing for the environment, your full rescue pack, snacks, and water.

Sign up for this training using the following form: <https://forms.office.com/r/iAkvnKRuul>

We'll see you on May 7th!

SARA TECHNICAL TRAINING

by Galen Smith, galen.smith@sarci.org

It's my pleasure to announce that that we are reinstating task book sign-offs before every Monthly Meeting, starting with the May 6 monthly meeting.

These will take place at the SARA House from 18:30 to 19:30, an hour before the meeting begins. All non-field sign-offs will be available.

2022 Technical Training schedule as follows (details TBA):

May 18	Time TBA	Wednesday	PCSD tower	Task Book sign-off
June	none			
July 13		Wednesday	SARA House	Task Book sign-off
July 16		Saturday		Tech field exercise.
Aug 17	evening	Wednesday	PCSD tower	
Sept	none			
Oct 12	evening	Wednesday	SARA House	Task Book sign-off
Oct 15		Saturday		Tech field exercise.
Nov 09	evening	Wednesday	PCSD tower	

As always, stay tuned to emails for updated information about these trainings and feel free to reach out with any questions.

OEC CORNER

by Mona Johnson, mona.johnson@sarci.org

We are currently planning on providing an Outdoor Emergency Care Course, open to members of all SARCI groups, in the Spring of 2023. If you are interested in taking, or have questions about this course, please let me know.

We are looking for any SARCI Members who have had an Outdoor Emergency Care Technician Certification that has lapsed, and would like to get re-certified. We may be able to provide a special accelerated course later this year. Please let me know if you are interested or have questions.

The dates for the 2022 OEC Cycle C Refresher are:

Sunday, September 25th

Saturday, October 15th

We will provide more information on the refresher closer to the dates.

SARA CAVE AWARENESS TRAINING

by Sarah Trube, sarah.truebe@sarci.org

I know May is first, but I can't wait to announce ... June's monthly training will be Cave Awareness! Lots of info in this message; please read! The cave training consists of two training sessions:

Wed June 1 – 18:00 at the SARA House (required if you have not attended previously)

This session will go over the basic differences between above and below ground rescue, what to bring and not to bring, specialized equipment that we use underground, etc.

Sat June 4 - all day at Peppersauce Cave

Meet at 07:00 in the Trader Joe's parking lot at Oracle & Magee

Participants will be able to get real underground experience with cave search, communications, patient packaging and moving, etc. We will also be working with the Cave Subject Matter Experts, who have taken AZ Basic SAR and are Arizona SAR volunteers who are specialized in caves. This training is a chance to meet the people and use the equipment we will use on actual cave rescues. Don't miss out!

RSVP: <https://forms.office.com/r/ZbqRHjJ0wD>

COVID & RESPIRATORY SAFETY

Caves are indoor spaces. The air circulates on an annual basis, which means it can be quite stagnant. Supposedly as many as 12,000 people per year visit Peppersauce Cave. Caves are high humidity environments, where small respiratory aerosols likely glom onto larger water particles and settle out faster than in dry air. All this to say, caves and COVID still aren't well understood to my knowledge. Masks will be recommended but not required. Patients will be required to follow masking protocols as at medical trainings. Also, at past cave trainings, well before the pandemic, some participants have reported ongoing respiratory issues after the training (cause unknown, but it could be valley fever or histoplasmosis - a couple different fungi). Please attend or not based on your own risk decision-matrix.

WHERE WE'RE GOING

Peppersauce Cave is a highly impacted cave with relatively high annual visitation. However, we want to make sure our training does not hurt the cave or anything living in it. Caves have very delicate ecosystems that can be upset by litter/trash/crumbs/human waste/lint/skin/hair/etc. There is no reason to damage a cave on a training at any time.

CAVE CONSERVATION PLAN

If any activity during the training is deemed to be negatively impacting cave resources (e.g., bats are present and agitated), the training will be stopped or relocated (or...we'll just listen to whatever Debbie says!). Participants will be asked to snack outside the cave, or over their packs to prevent crumbs from being left behind in the cave. Only water will be allowed in the cave. All waste materials (trash, human waste), will be carried out to the cars. I know there will be trash in Peppersauce, but we need to do our best to prevent making the situation worse.

Because of the threat of White-Nose Syndrome to Arizona bats, please ensure any equipment that has been in any cave or mine outside of southern Arizona has been completely decontaminated according to the US Fish and Wildlife Service protocols: <https://www.whitenosesyndrome.org/static-page/decontamination-information>

WHAT TO BRING

1. Helmet (with chinstrap, UIAA/CE approved)
2. Three sources of light, at least two helmet-mountable
3. Spare batteries for your lights
4. Gloves (gardening gloves are fine, or whatever you have)
5. Water (enough for the day)
6. Snacks/lunch (nothing that is too crumbly – bring snacks in a Ziploc to collect crumbs)
7. Personal first aid kit/bandana/meds/whatever you need throughout the day
8. 2 x 20ft webbings and perhaps a couple carabiners
9. Kneepads (highly recommended), elbow pads (optional) – get at sporting goods store.
 - a) I'm trying to find some loaner pairs
10. Small pack (<20L), streamlined with no extra straps or anything that can catch
11. Pee bottle and pee funnel, though we may be able to exit the cave for a lunchtime pee break
12. Camera (optional)
13. Complete change of clothes and shoes for after

WHAT NOT TO BRING

Large packs with lots of straps, carbide lamps, anything that leaves behind crumbs or trash

WHAT TO WEAR

1. Jeans/carharrts/work pants or hiking pants/stuff you don't mind getting filthy
2. T-shirts fine for underground. Cave temp = 65-70F
3. Hiking boots or approach shoes (whatever you're comfortable in)

Questions? Talk to Sarah Truebe: 650-804-5413 (texts/calls OK), sarah.truebe@sarci.org

This document presents the safety guidelines that shall be implemented for indoor training during the COVID-19 pandemic.

Before Class Health Screening:

If you have any of the following conditions please consider not attending the event:

- Fever (Temperature of 100.4 or greater) plus cough and shortness of breath/ difficulty breathing
- Chills
- Congestion or runny nose
- Muscle pain
- Sore throat
- New loss of taste or smell
- Diarrhea
- Nausea or vomiting
- Fatigue

During Class Precautions:

The following precautions will be used during time in the classroom:

- Maintain social distancing of 6 feet or more when possible
- Genuine N95 or KN95 masks shall be worn
- Reminders will be given to wash or sanitize hands

Mask Care:

- Replace when soiled, wet, or damaged
- When not in use, store/dry in paper bag

Hands on Scenario Precautions:

- Masks and eye protection will be required
- Nitrile gloves will be used and changed in between patient contacts

Classroom Hygiene:

- All equipment and indoor surfaces used will be cleaned and sanitized after/between use
- Tables, chairs, equipment will be sprayed down with disinfectant before/after training
- All unneeded equipment and furniture will be kept separate and clean
- Medical equipment will be disinfected between patient contacts
- Instructors will thoroughly wipe down and disinfect surfaces after class
- During indoor meetings or trainings air vent fans will be set to “On” throughout the building.

Post-Training COVID-19 Exposure or Diagnosis

- Should a student develop symptoms or receive positive COVID-19 test results within 14 days after attending training, it is recommended that they notify the Medical Chairs (SARAMedicalChairs@sarci.org) and advise of their current symptoms and/or positive test.
- Should the Medical Chairs become aware of a student with symptoms/positive test, the Medical Chairs will work with that student and/or Records to determine what trainings or calls that person attended in the previous 14 days.
- The Medical Chairs will contact persons who attended the same trainings as a person reporting positive symptoms/test results in the past 14 days and advise that they may have been exposed to someone with COVID-19 and should contact their doctor should they develop symptoms or have any questions. Persons will be advised of what symptoms to watch out for (above) and to get a COVID-19 test if necessary. The identity of the person reporting positive symptoms/test results will be kept confidential and will not be shared with training attendees.
- Persons who develop symptoms and/or receive a positive test should follow current isolation recommendations, as directed by ADHS. They will be permitted to attend trainings/calls once the recommended isolation period and time since last symptoms have been satisfied.

SARA MEDICAL TRAINING

by John DiMiceli, john.dimiceli@sarci.org

Below is the medical training currently being offered by the SARA Medical Committee. These trainings are open to members of all SARCI component groups. Where space is available, Caver SMEs are welcome. Members can register for the sessions by following the links provided or by emailing me directly. The sessions will be offered at the SARA House so long as current CDC, county, city, and SARA policies are able to be followed. We understand the situation is ever changing due to the COVID-19 pandemic and we will do our best to communicate cancellations or changes in the format in which the courses will be offered (limited class sizes, outdoors, online, etc). We want to do our best to make the most responsible decisions.

Cardio-Pulmonary Resuscitation (CPR): The sessions below will be offered for AHA Basic Life Support Provider certification. Participants are required to bring their own ventilation barrier device (mask or shield). The course is \$5.00 to cover the AHA fee for issuing your CPR card. This will be payable to the instructor via cash or check made out to "Southern Arizona Rescue Association".

May 21 08:00 – 12:00 Sat Registration: <https://forms.office.com/r/xWar2cUdqW>

Wilderness First Aid (WFA): The following session is scheduled. There are no fees or required materials for this course. Weekday sessions will be held from 18:30 - 22:00 and Weekend sessions from 08:00 - 17:00.

No WFA classes are currently scheduled

Blood Borne Pathogens (BBP): It is an AZ state requirement that all search and rescue volunteers take an OSHA BBP class once per year. Completion of the SARCI Bloodborne Pathogens class and its associated quiz will complete this requirement for all SARCI component groups. The self-paced presentation is available anytime 24/7 to SARCI members at [SARCI BBP Presentation](#).

Log in to Microsoft 365 with your SARCI credentials (if requested), and click on the "Present" link in the upper-right corner to access the narrated presentation and the quiz. Simply click to advance through the slides. The presentation is about 40-45 minutes in length. When it is complete, the quiz will be available. Quiz results will be submitted to Records.

Questions about the course content can be directed to George Simons or the MTSC. For questions about the quiz, or if you need assistance logging in to Microsoft 365, contact Records@sarci.org.

There are several online classes offered by third parties that may be acceptable for fulfilling the requirement. Please check with the MTSC and Records in advance to verify that a given external class is satisfactory for this requirement.

Naloxone Administration: Due to the nation-wide opioid crisis, the State of Arizona recommends all first responders be trained in the administration of Naloxone. SARA offers this optional training to all SARCI members free of charge. To remain current it is recommended rescuers re-take this training once every two years.

No Naloxone classes are currently scheduled

Wilderness Emergency Medical Responder (WEMR):

WEMR classes have been completed for Spring 2022

ASHI Training

SARA has been approved to be an ASHI Training Center. We are fishing up the details now, and will soon be able to issue Basic First Aid and Advanced First Aid cards from ASHI. We will make a full announcement with all the details once we are fully operational. We will continue to teach our WFA and WEMR courses like we have been. These new certs will be an optional supplement to those who need a certification card for SARTech and other qualifications. We are looking at using these classes for PR events in the future.

If you have any questions or concerns please send them to the Medical Committee at saramedical@sarci.org

Date	Vol/Hrs/ Problem	Location	Resources
------	------------------	----------	-----------

Mission Hrs now show total portal-to-portal times (not Rdvs). Mission times now show Field IN/OUT times (not Rdvs).

Sat Apr 02 5/ 5/ **20ym hiker exhausted** **Phoneline Link Trail, Catalinas** **RMFD**
 No field times An exhausted hiker was assisted to the trailhead by Rural Metro team.

Sun Apr 03 6/ 17/ **52ym hiker knee injury** **Sutherland Trail, Catalinas** **GRFD CSP**
 10:20 – 11:20 A hiker fell a couple of times and was unable to continue. He was carried to the trailhead by litter and UTV.

Thu Apr 14 9/ 51/ **70ym hiker exhausted** **Box Camp Trail, Catalinas** **Ranger54 RMFD**
 15:45 – 18:35 One of a group of hikers was unable to continue during their hike down the mountain. He was short-hauled to Stop8.

Fri Apr 15 7/ 23/ **66ym hiker fall injury** **Tanque Verde Canyon, Rincons** **Ranger54 RMFD**
 13:40 – 14:55 A hiker injured a hip at the base of the Main Trail. Ranger landed on the beach and ferried him to the road.

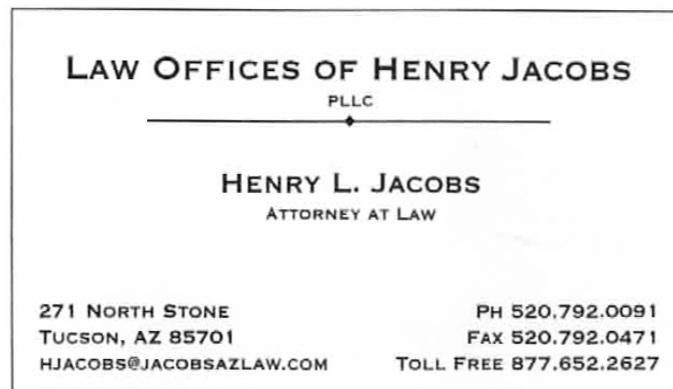

Sun Apr 17 13/ 62/ **32yf fall injury** **7 Falls, Catalinas** **Ranger54 RMFD**
 12:40 – 16:50 A female slipped on wet rock and was unable to walk. She was carried to Ranger at the base of the trail.

Sun Apr 24 10/ 17/ **??ym hiker lost** **Bear Canyon, Catalinas**
 No field times A hiker was off-trail during a hike from San Pedro Vista. He was directed to the trail and met a deputy at Hitchcock.

Sun Apr 24 20/ 228/ **3 canyoneers stranded** **7 Cataracts, Catalinas**
 20:25 – 07:50 Three stranded canyoneers at 7 Cataracts were unable to retrieve their rope and could not continue down canyon. The first team was sent in from the top, and a second team went in from the canyon bottom to attempt to reach the subjects by avoiding the waterfalls and instead scrambling the canyon walls. The bottom team reached the subjects, gave them warmies, food, and hydration. When the top team reached scene, everyone continued following the canyon down via a series of rappels, and finally climbing back up to the highway.
