SEARCH AND RESCUE COUNCIL

<http://www.sarci.org>

SARCI BOARD MEETINGS

by SARNews, sarcinewsletter@sarci.org

SARCI Board meetings are held at the SARA House at 19:30 (7:30 pm) on the third Wednesday of January, April, July, and October. These meetings are being held in-person and on-line. Ask if you are interested in attending.

SABINO CANYON PARKING

With the new electric trams in Sabino, we will NOT be able to leave unattended vehicles at Tram Stop 9. During hours of Canyon Crawler operation, everyone will need to park at TS-8 and be shuttled to TS-9. The ONLY vehicles at TS-9 will be IC and Ops vehicles attended with drivers so they can move as the tram passes through. SPEED LIMIT 15 MPH

SARCI ROSTERS

by SARCI Records, records@sarci.org

Rosters are appropriate and requested for on-line activities, including meetings and training sessions. A simple list of names and in/out times are sufficient (send the lists to Records). Organizers of TEAMS meetings can download an attendance log: see the instructions later in this issue. Bonus points are available for anyone who adds that information to a copy of the file "SARCI_Mission_Response_Log_Data_Entry" (use normal login):

http://www.sarci2.org/data/SARCI_Mission_Response_Log_Data_Entry_201810.xlsx

EMERGENCY RESPONSE MANAGER HELP

by Brooke Fawcett, Brooke.Fawcett@sarci.org

Questions about how to use all these capabilities - and more - in ERM? Please don't hesitate to contact **Brooke Fawcett!** (Just open your ERM app, click Contacts, and type in her name.)

With the monsoon season here, note that there is a link in ERM to see stream flow and rain fall data for Pima County: open ERM>Links and then click on "Pima County Rain Gauges and CFS Data" (there is now a gauge high in Finger Rock) Also, there is a weather radar overlay you can turn on for the map in ERM: select the layer button in the upper left corner, then turn on the Weather Overlay and return to the map. This will show active storm cells.

PIMA CO. SEARCH & RECOVERY DIVERS

by John Longhofer, divers@sarci.org

DIVERS CALENDAR

Table with 4 columns: Date, Time, Day, and Location. Rows include Aug 14 (09:00 Sun, UW and Surface Skills, Lakeside Park), Sept 11 (08:30 Sun, UW and Surface Skills, TBD), and Oct 09 (08:30 Sun, TBD, TBD).

In July, we introduced our new candidates to knot tying, O2 and Altitude Tables.

August, we will work and review our basic search patterns in open water and in low viz conditions. Meet in the West side parking lot at Charles Ford Lakeside Park at 08:30.

For Sept. and Oct. Dive training locations remain TBD.

SOUTHERN AZ MOUNTED SEARCH AND RESCUE

by Colleen Leon, colleen.leon@sarci.org

SAMSAR CALENDAR

Table with 4 columns: Date, Time, Day, and Location. Row: Aug 16 (18:00 Tue, Board and General Meeting, Forty Niner Country Club, 12000 E. Tanque Verde).

SAMSAR is excited to vote in two new members into SAMSAR! Soon callouts permitting, Kim Childress and Janet Rowley will out on the trails with us. We also have three new candidates coming in! Yeah! Daniel Conrad is a corrections officer and his wife is a TIP horse trainer along with their best from Casey Allen. All five will be great members to SAMSAR!

See you on the trail!

SOUTHWEST RESCUE DOGS, INC.

by Karen Paquette, karen.paquette@sarci.org

SRDI CALENDAR

Aug 03 18:30 Wed

Aug 06 06:00 Sat

**Monthly Meeting
Training**

On-line TEAMS
Mt Lemmon

Our sympathy to the Brown Family on the loss of Vi Brown.
See <https://www.facebook.com/srdi.2014> for SRDI's photo tribute.

SARCI members are welcome to join us for training at any time. If you are interested in attending, please email us at K9@sarci.org, or Karen.Paquette@sarci.org, or call Karen Paquette (275-2074). SRDI's monthly meeting is the first Wednesday of each month via Teams online meeting format.

BOARD OF DIRECTORS – COVID-19 DIRECTIVES

by Joe Barr, SARASecretary@scarci.org

Please be advised that the SARA Board has elected to remove SARA COVID restrictions and follow CDC guidelines.

The current CDC guidelines are at: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html>

COVID AND FLU

by George Simons, george.simons@scarci.org

A reminder and heads up to all members. Influenza is rapidly ramping up in our community. Nicola and I are seeing many, many patients with the flu right now, and they are miserable. There is still time for you to get a flu shot if you have avoided it to this point. COVID is also starting to rear its head again, and both of us have had some of our colleagues become infected (even those who are immunized). Being immunized for COVID will most likely keep your illness mild, but who wants to roll that dice?

Coming down with flu or COVID will take you out of things for a while. Be on your guard. I strongly suggest wearing a mask when you are around others and cannot social distance. It will decrease your chances of catching the flu or COVID. KN95 or N95 are recommended.

Good luck, and be careful out there. Any questions, let me know.

SARA PIO

by Amy McPherson, amy.mcpherson@scarci.org

SARA is now on Twitter and Instagram!

MRA CARDS

by Records, records@scarci.org

MRA membership cards for 2022 have been received and are available by request to records@scarci.org

OEC CORNER

by Mona Johnson, mona.johnson@scarci.org

Dates for the 2022 OEC Cycle C Refresher are:

Sunday, September 25

and

Saturday, October 15

All Certified Outdoor Emergency Care Technicians should have received additional information from National Ski Patrol about this year's Cycle C Refresher, indicating:

- Registering and completing the on-line portion of the Refresher is required before being able to register for the in-person skills portion.
- There is no printed workbook, this is included in the on-line portion.
- Completion of both portions is required to get credit for the refresher.

I am sending out additional information concerning the registration process to the current OEC Technicians.

We are also planning on providing an Outdoor Emergency Care Technician Course, open to all SARCI Members, in the Spring of 2023. This training will provide an Outdoor Emergency Care Technician Certification for those successfully completing the course. If you are interested in taking, or have questions about this course, please let me know.

SARA TRAINING

by John Di Miceli, john.dimiceli@sarci.org

Mark your calendars! Below you will find the upcoming trainings happening over the next three months. Additional updates will be sent out as more details are known.

August Monthly Meeting: Technical Taskbook Sign-offs

- Friday, August 05, 18:30 to 19:30 @ [SARA House](#) before general meeting
- No sign-up necessary
- Contact: Sarah.Truebe@sarci.org

August Monthly Training: Leadership and Risk Management

- Saturday, August 06, 08:00 to 12:00 @ [SARA House](#)
- [Sign-up](#)
- Contact: Christine.Hoekenga@sarci.org
- **Orange card sign-off**

Technical Training: Tower Session

- Wednesday, August 17, 18:00 to 21:00 @ [PCSD Training Tower](#)
- Focus: technician level skills, with sign-off opportunities for all levels.
- [Sign-up](#) (Please note what sign-offs you need.)
- Contact: Galen.Smith@sarci.org

AHA Basic Life Support (CPR)

- Saturday, August 20, 08:00 to 12:00 @ [SARA House](#)
- [Sign-up](#)
- Contact: John.Dimiceli@sarci.org

September Monthly Meeting Technical Taskbook Sign-offs

- Friday, September 2, 18:30 to 19:30 @ [SARA House](#) before general meeting
- No sign-up necessary
- Contact: Sarah.Truebe@sarci.org

September Monthly Training: Land Navigation and Orienteering

- Wednesday, September 7, 18:00 to 20:00 @ [SARA House](#)
- Saturday, September 10, 08:00 to 14:00 @ 106
- Sign-up: See upcoming e-mails
- Contact: Chris.Yamanaka@sarci.org
- **Orange card sign-off**

October Monthly Meeting Technical Taskbook Sign-offs

- Friday, October 7, 18:30 to 19:30 @ [SARA House](#) before general meeting
- No sign-up necessary
- Contact: Sarah.Truebe@sarci.org

October Monthly Training: Tracking, Day/Night

- Saturday, October 8, TBD
- Sign-up: See upcoming e-mails
- Contact: Justin.Peterson@sarci.org

Technical Training: Rigging and Executing Litter Scoops

- Wednesday, October 26, 18:00 to 22:00 @ [SARA House](#) for rigging
- Saturday, October 29, 08:00 to 14:00 @ TBD for field operations
- Sign-up: See upcoming e-mails
- Contact: Sarah.Truebe@sarci.org

COMMITTEE UPDATES

by Jason Schlueter, jason.schlueter@sarci.org

SPREAD THE WORD ABOUT 988

Dialing 988 will now route phone calls to the suicide prevention hotline. This was approved by congress in 2020 and took full effect in July 2022. The idea is to reduce the strain on 911 and get the help people need. Please share this information. Read more about it here:

<https://www.samhsa.gov/newsroom/press-announcements/20220715/us-transition-988-suicide-crisis-lifeline-begins-saturday>.

I.T.

We have disabled all basic authentication methods for Office/Teams/Microsoft365 applications. This will be forcefully be done by Microsoft at the end of September so we are ahead of the curve. This may be frustrating but it is a very good thing for the security of a smaller organization like SARCI.

DRONES (sUAS) (SWARM)

Meghann Vance of the SWARM team is going to be working on some testing methods to teach people become a Visual Observer (spotter, co-pilot, radio operator, etc) to help out the drone pilots. If you're interested in learning more or you have any experience in this, contact saraswarm@sarci.org.

RECRUITING

We're getting close to the applicant hike to determine the 2022 SALT class. We need help evaluating the prospective candidates. Please come join the hike and RSVP here <https://forms.office.com/r/FS5kGXX5ky> so I can get you on the list and roles assigned. **The hike is August 13. We will be meeting @ 106 at 07:30.** It's anyone's guess what the weather will be but we have Sheriff1, drone(s), and SAMSAR planned as special guests.

Bill Florence will be taking over as chair of the Recruiting Committee once the 2022 SALT class has been chosen. Thank you Bill for taking the lead of the critical administrative side of this committee.

MEMBERSHIP

Anjani Polit has taken the place of Galen Smith as our female advocate. Your advocates are now Chris Gall and Anjani Polit. Thank you, Galen, for your hard work and for your help in finding a replacement. You can always email them at private-saraadvocates@sarci.org. The only two people who will receive these emails are Chris Gall and Anjani Polit. Email to the advocates are not sent to the board or the membership director.

July's social was canceled thanks to thunderstorms. Let's give it another try. We're going to meet at **MSA Annex on Sunday, August 14 at 18:00**. Keep an eye on the master calendar for more and check out the [venue](#) .

I want to recognize "Nick with a K" Marrone for taking the lead on providing O₂ to the subject on the July 16 call near Lemmon Rock Lookout. This was his first time with the O₂ bottle in field and his first time providing care to a subject. Great job, Nick!

MEDICAL FIRST CARE FORM

by George Simons, george.simons@sarci.org

This form is provided by the Sheriff's department and should be completed on all medical calls. I would encourage its use on other calls, such as searches, to document the condition of our victim even if uninjured and in no distress. One can find fault with any first care form. I'm sure some of you can find things to improve on this one, but take a deep breath and just go with what we have.

The good thing about this form is that it is easy to fill out. The headings are self-explanatory (I have always been told to never say that, but I think it is true here.). Become familiar with the form. You do not have to carry one and fill it out at the scene. You can take notes and fill the form out after the call. They are kept in all of the trucks.

Keep in mind your chart is a snapshot of the encounter and serial exams/vital signs. It is impossible to document every second of the time spent with the patient short of taking a video of the entire time we are with them.

Important things to document (other than everything, of course) include a brief history of the current problem, past medical history, current medications, and allergies. I avoid open ended questions here. I ask about specific conditions. Do you have heart problems, diabetes, lung problems? Do you take a blood thinner? Etc., etc. Then a primary survey, the form has a nice outline of what needs attention. The secondary survey part of the form is also a good outline of what to address. It works best if one person does the exam and reexams of the patient, and a separate person acts as scribe. The second person can also hand dressings, etc. to the person who actually has hands on the patient. This makes sure someone with uncontaminated hands is digging in the med kit.

In the face of a complicated trauma patient, take a deep breath and take your own pulse. Don't worry about missing a small laceration here and there, or that sprained finger. The "can't miss" items include vital signs (repeat at appropriate intervals depending on situation) and continuous monitoring of the primary survey headings (A, B, C, D, E).

When you turn the patient over to another provider, higher level of care, ambulance, helicopter crew, etc., it is VERY, VERY important that you note the time of the handoff, and a brief note about the patient's condition at that time. For example, If the patient shows up at the hospital and is noted to be unable to move their legs, everyone is going to want to know when that happened and fingers will be pointed at all the caregivers. If your note shows the patient was neurologically intact and moving all extremities at the time of handoff, you are protected.

There are places on the back of the first page of the form for obtaining consent for treatment and refusal. Verbal with a witness is okay if the circumstances do not allow for signatures, or if you do not have the form in hand. Refusals can be tricky. The person with the highest medical certification should be involved in this, and law enforcement may need to step in. For example, we can't leave an intoxicated person with an open leg fracture in the bottom of Tanque Verde Canyon, no matter how adamantly they refuse or threaten us. The standard of care is what would a reasonable person do in the same circumstances. Remember, you or one of the deputies can always confer with medical control (and should in these cases). You will get in trouble for not taking care of someone. You will not get in trouble for taking care of someone.

Completed forms may be given to a truck driver, or you can slide it under the locked door of the medical storeroom. Remember this is part of the patient's medical record and must be protected.

The form is shown on the next page. Questions? Let me know.

This document presents the safety guidelines that shall be implemented for indoor training during the COVID-19 pandemic.

Before Class Health Screening:

If you have any of the following conditions please consider not attending the event:

- Fever (Temperature of 100.4 or greater) plus cough and shortness of breath/ difficulty breathing
- Chills
- Congestion or runny nose
- Muscle pain
- Sore throat
- New loss of taste or smell
- Diarrhea
- Nausea or vomiting
- Fatigue

During Class Precautions:

The following precautions will be used during time in the classroom:

- Maintain social distancing of 6 feet or more when possible
- **Genuine N95 or KN95 masks shall be worn**
- Reminders will be given to wash or sanitize hands

Mask Care:

- **Replace when soiled, wet, or damaged**
- **When not in use, store/dry in paper bag**

Hands on Scenario Precautions:

- Masks and eye protection will be required
- Nitrile gloves will be used and changed in between patient contacts

Classroom Hygiene:

- All equipment and indoor surfaces used will be cleaned and sanitized after/between use
- Tables, chairs, equipment will be sprayed down with disinfectant before/after training
- All unneeded equipment and furniture will be kept separate and clean
- Medical equipment will be disinfected between patient contacts
- Instructors will thoroughly wipe down and disinfect surfaces after class
- During indoor meetings or trainings air vent fans will be set to “On” throughout the building.

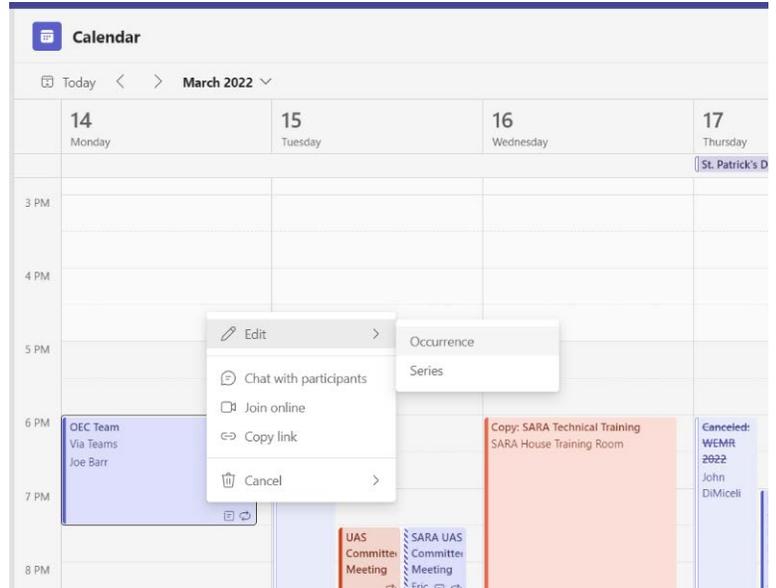

Post-Training COVID-19 Exposure or Diagnosis

- Should a student develop symptoms or receive positive COVID-19 test results within 14 days after attending training, it is recommended that they notify the Medical Chairs (SARAMedicalChairs@sarci.org) and advise of their current symptoms and/or positive test.
- Should the Medical Chairs become aware of a student with symptoms/positive test, the Medical Chairs will work with that student and/or Records to determine what trainings or calls that person attended in the previous 14 days.
- The Medical Chairs will contact persons who attended the same trainings as a person reporting positive symptoms/test results in the past 14 days and advise that they may have been exposed to someone with COVID-19 and should contact their doctor should they develop symptoms or have any questions. Persons will be advised of what symptoms to watch out for (above) and to get a COVID-19 test if necessary. The identity of the person reporting positive symptoms/test results will be kept confidential and will not be shared with training attendees.
- Persons who develop symptoms and/or receive a positive test should follow current isolation recommendations, as directed by ADHS. They will be permitted to attend trainings/calls once the recommended isolation period and time since last symptoms have been satisfied.

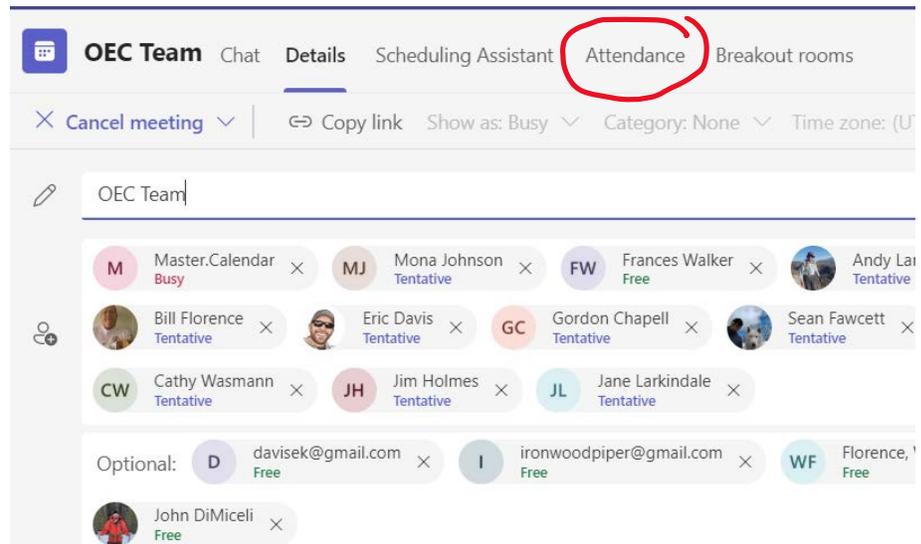

Preferred method to download a TEAMS roster for S&R:

Must be the Organizer.

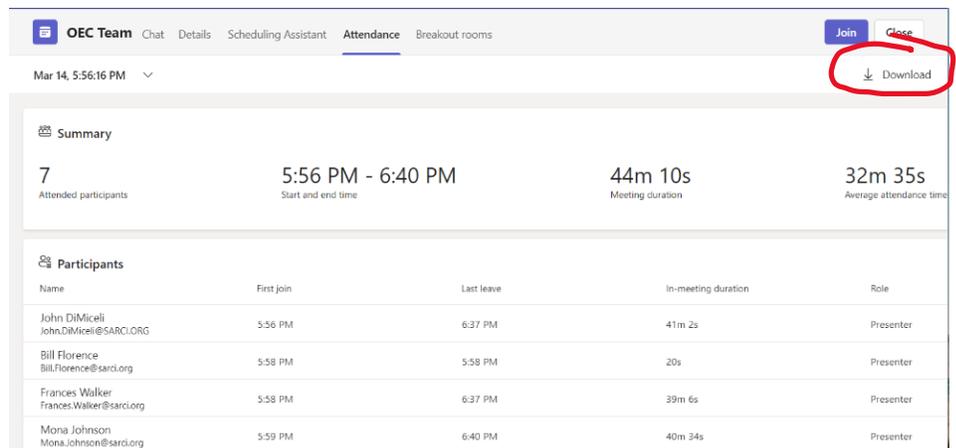

1. After the event is over and all have signed out.
2. Find the meeting in the TEAMS Calendar
3. **Edit** the current occurrence
(Only Organizer can edit)

4. Select **Attendance** in the top menu

5. Select **Download** in the upper right

NOTE: A log is available during the meeting in the Chat menu. This format is better than nothing, but is normally incomplete until all have left the meeting.

Date	Vol/Hrs/ Problem	Location	Resources
-------------	-------------------------	-----------------	------------------

Mission Hrs now show total portal-to-portal times (not Rdvs). Mission times now show Field IN/OUT times (not Rdvs).

- Sat June 04** 7/ 30/ 71ym hiker arrythmia *Wilderness of Rocks, Catalinas* **Sheriff1 MLFD**
 17:15 – 19:10 A hiker with a history of arrythmia was reported. He continued with his group to Marshall Saddle, meeting a SAR Officer hoisted to the ground, followed by SAR teams. The hiker was ferried to Mt.Lemmon Fire helispot.
- Sun June 19** 8/ 23/ 22ym exhausted *Phoneline Trail, Catalinas* **Sheriff1**
 19:35 – 20:40 Two males hiked up the road and were coming down the Phoneline when one was unable to continue due to heat and exhaustion. He was ferried to Overlook LZ by Sheriff1. A ground team met the companion and all hiked out without problems.
- Thu June 23** 6/ 15/ HRD Search *South Tucson* **STPD**
 No field times SRDI deploying with South Tucson PD for Human Remains search. Video and witness stated possible body dragged into relatively small desert area. No subject located in the given area.
- Tue July 05** 12/ 33/ 22ym 280# hiker exhausted X7 7Falls Trail, Catalinas **RMFD**
 17:15 – 18:35 One of a group of hikers returning from 7 Falls was not able to continue past X7 until teams arrived for support.
- Sun July 10** 14/ 59/ 34ym hiker exhausted *Finger Rock Trail, Catalinas* **Ranger56 RMFD**
 15:35 – 18:05 A hiker was unable to continue from just below the Overlook. Ranger ferried him to a nearby school yard.
- Sat July 16** 15/ 73/ 28ym 280# hiker exhausted Lemmon Lookout Trail, Catalinas
 17:30 – 19:05 A hiker was moving very slowly up trail until teams arrived for support.
- Fri July 22** 11/ 11/ Hikers off trail *Lemmon Lookout Trail, Catalinas*
 No field times Hikers were off trail a short distance below the lookout until a Mt.Lemmon deputy arrived and provided guidance.
- Sun July 24** 13/ 39/ 50ym hiker exhausted *Esperero Trail, Catalinas* **UAS RMFD**
 16:55 – 18:20 A hiker had very sore knees while returning on the Esperero Trail. Teams provided support and rides from Stop 1.
