### SARCI BOARD MEETINGS

by SARNews, [sarcinewsletter@sarci.org](mailto:sarcinewsletter@sarci.org)

SARCI Board meetings are held at the SARA House at 19:30 (7:30 pm) on the third Wednesday of January, April, July, and October. These meetings are being held in-person and on-line. Ask if you are interested in attending.

### SABINO CANYON PARKING

With the electric trams in Sabino, we will NOT be able to leave unattended vehicles at Tram Stop 9. During hours of Canyon Crawler operation, everyone will need to park at TS-8 and be shuttled to TS-9. The ONLY vehicles at TS-9 will be IC and Ops vehicles attended with drivers so they can move as the tram passes through. SPEED LIMIT 15 MPH

### EMERGENCY RESPONSE MANAGER HELP

by Brooke Fawcett, [Brooke.Fawcett@sarci.org](mailto:Brooke.Fawcett@sarci.org)

Questions about how to use all these capabilities - and more - in ERM? Please don't hesitate to contact us!

(Just open your ERM app, click Contacts, and type in "Support.")

Do you know about Mission Data? It can be found by clicking "Responses" and then you'll see the "Mission Data" button near the top of the screen. To add your own information - coords, photos, team updates, etc - click "GPS" from the home screen, and then use the "+" button to the right of "Current Position."

Please enter your certifications in ERM. ERM will automatically send a notice to [Records@sarci.org](mailto:Records@sarci.org). Note that you cannot upload images/files on IOS or Android devices. On these devices however, at the top of the "My Certifications" page is a "Get Desktop Login Link" button to send a link to your email address. On a computer you can click on this link to open ERM where you CAN upload images/files.

### **DIVERS CALENDAR**

<u>Dec 08</u>	<u>09:00 Sun</u>	<b>Dry Session: Alt. Tables, CPR &amp; O<sub>2</sub></b>	SARA House, 5990 N Sabino Canyon Rd
<u>Jan 12</u>	<u>09:00 Sun</u>	<b>Dry Session: Annual Servicing of Gear</b>	SARA House, 5990 N Sabino Canyon Rd
<u>Feb 09</u>	<u>09:00 Sun</u>	<b>Pool Session</b>	TBA

In November divers held our annual potluck brunch and elections for board members; all positions remain the same as last year. We also held an open house at the SARA House for members of other SARCI teams that may be interested in learning about supporting divers' operations, joining our team and membership requirements. If you wish to join our team, please contact John Longhofer at the above email for information. Yes, we always need more divers and diving support personnel.

December and January will be dry sessions. We are planning to review Altitude Tables, Review CPR and O<sub>2</sub> along with our annual inspection and servicing of our gear.

### OEC CORNER

by Mona Johnson, [mona.johnson@sarci.org](mailto:mona.johnson@sarci.org)

The 2025 OEC Cycle C Refresher Skills Session has been scheduled for Oct. 18, 2025.

### MONTHLY TRAINING

by Trevor Dickerson, [trevor.dickerson@sarci.org](mailto:trevor.dickerson@sarci.org)

December's monthly training is an Introduction to Communications taught by the SARCI Communications team. This training will cover our communication architecture throughout the organization such as Land Mobile (PimaSAR, StateSAR), Amateur (Ham) Radio, PCWIN, and ERM. There will be hands-on exercises to familiarize yourselves with the equipment as well as best practices for communication on missions. For those unfamiliar or perhaps not comfortable with radio communications, this is an excellent opportunity to learn. If you've been considering getting your amateur radio license, the Communications team is an excellent resource and they're always happy to HAM it up when it comes to all things radio.

Due to the importance of this training for mission success and continuity among component groups, this training is open to all SARCI members. Please RSVP at the link below no later than Wednesday, December 04. For SARA candidates: this training will count as an "Other" training on your orange card.

What: SARCI Introduction to Communications

Where: SARA House

When: Saturday, December 07 @ 08:00

RSVP Here: <https://forms.office.com/r/aTcNqj6enH>

### SARA TRAINING UPDATES

by Meghann Vance, [meghann.vance@sarci.org](mailto:meghann.vance@sarci.org)

The next SAR Tracker training will be the weekend of January 24-26. Additional details will be published in the SARA calendar and via email/RSVP form.

Adam Weinstein [adam.weinstein@sarci.org](mailto:adam.weinstein@sarci.org) will be taking over as Monthly Training Coordinator. We'd like to thank Trevor Dickerson for all the work he put in during his time in this role, and especially for organizing November's training, Stress & Trauma Management, which was a new topic for us. Christine Hoekenga and Tina Dong led a phenomenal class that we hope to continue to both offer and build upon (thank you both!).

## COMMUNICATIONS

by SARCI Communications, [sarcicommunications@sarci.org](mailto:sarcicommunications@sarci.org)

Please see the Monthly Training notice for the upcoming Communications Training session. The Communications team will resume PCWIN familiarization training prior to the January 2025 Monthly Meeting.

The N7SAR repeaters on Mt Lemmon (“Lemmon Repeater”) went back online on October 29. Both the UHF (449.775 MHz) and VHF (147.14 MHz) are fully functional. New antennas with higher gain than the previous have enhanced the repeater coverage area. The Communications Team is working with the site owner to provide a more detailed summary of the new installation. Please stay tuned ...

Many people have recently obtained or are planning to obtain their amateur radio licenses. This is a reminder that if you want to use your Part 90 type accepted personal radio on PimaSAR and StateSAR you must fill out and return for approval a Personal Radio Approval form. You can find the form at:

<https://www.sarci2.org/data/221021%20SARA%20NB%20Personal%20Radio%20Form.pdf> (password required)

or by request to [sarcicommunications@sarci.org](mailto:sarcicommunications@sarci.org). Please also contact SARCI Communications for referrals on which radios to procure or any of your communications questions.

## TECHNICAL SKILLS: TASKBOOKS

by Sarah Truebe, [sarah.truebe@sarci.org](mailto:sarah.truebe@sarci.org)

After the rush of signoffs in October and November, I’d like to draw everyone’s attention to the number of tech taskbooks that expire throughout 2025:

<u>Month</u>	<u>Expiring Taskbooks</u>	<u>Month</u>	<u>Expiring Taskbooks</u>	<u>Month</u>	<u>Expiring Taskbooks</u>
January	5	May	3	September	6
February	2	June	2	<b>October</b>	<b>33</b>
March	2	July	7	<b>November</b>	<b>23</b>
April	3	August	6	December	2

If your taskbook is one of the 50+ that expire in Oct or Nov, I recommend you turn around a taskbook ASAP and get yourself onto a month with very few other folks asking for signoffs. This will also give you more 1:1 time on the new skills. Great choices to complete a new taskbook are: Feb, Mar, Jun, and December.

Starting next year we may change the way SALT taskbooks expire so that we don’t just contribute more and more to the same problem year after year. In the mean time, please consider getting yourself off the “SALT schedule” of taskbook expiration as soon as possible.

Kudos to all the Technicians who helped with signoffs despite also helping with SALT and the MRA recert, all at the same time of year. And kudos to everyone who has already completed one of the new taskbooks we just implemented in September!

## TECHNICAL SKILLS: CALENDAR

by Sarah Truebe, [sarah.truebe@sarci.org](mailto:sarah.truebe@sarci.org)

All trainings are tentative until they appear on the Master Calendar and are announced via email.

All Level signoffs are available at all trainings; field signoffs are available at Personal Rope Skills, Field Trainings, Tower Trainings, and quarterly major Technician Trainings. No signoffs are available at Technician Team Meetings.

Tech Taskbooks can now be found in ERM under “My Stuff / My Certifications”. If you prefer paper to be able to view it all in one place, the files can still be found on the SARA Documents page, but all taskbooks will now be managed through ERM.

The Clutch Supplement was due on 7/1/2024. At this point the only way to regain FQ status is to complete a new Tech Skills Taskbook. For any questions relating to the new items on the taskbook, please reach out to Sarah T or Richard H, or check out the new manual (on the SARA Documents website).

Any questions on the schedule or taskbooks, please contact Sarah Truebe ([sarah.truebe@sarci.org](mailto:sarah.truebe@sarci.org)) or Richard Hounshell ([richard.hounshell@sarci.org](mailto:richard.hounshell@sarci.org)).

## **DECEMBER**

12/02 @ 18:00 - Operations Level Skills Classroom session (tentative) - SARA House

12/06 @ 18:30 - Pre-meeting tech signoffs - SARA House

12/11 @ 18:00 – Classroom session for steep angle training (tentative)

12/14 @ time TBD - TV Falls Steep Angle Training (tentative)

12/18 @ 18:00 - Personal Rope Skills OR Operations Field Training

## 2025 TECHNICAL SCHEDULE

by Sarah Truebe, [sarah.truebe@sarci.org](mailto:sarah.truebe@sarci.org)

Hello all, please look ahead at the 2025 schedule and plan when you will tackle your taskbooks. There are six kinds of technical rope rescue trainings available in 2025:

1. Monthly meetings - all non-field sign-offs
2. \* Operations/Teamwork trainings - all signoffs
3. Tower Training - prioritize Tech skills (\*orange card signoff available if you own a harness and are on the top of the tower to assist in team operations)
4. \* Cliff trainings - prioritize Tech skills and scene size-up in unique training locations
5. \* Special trainings (steep angle, minimal gear, cave, etc.) - taskbook signoffs may or may not be available
6. Personal Rope Skills - focus on Rappelling/Belaying, climbing rope, personal on-rope skills (no Orange Card signoffs, but other taskbook signoffs are available)

*The Orange Card signoff (denoted by \* above) is intended to have Candidates participate in teamwork/operations, not just work on their personal signoff skills alone. Keep that in mind when you request an Orange Card signoff at any training.*

At these trainings, participants will get a variety of hands-on technical rope equipment and setups. Signoffs are available at all levels of the taskbook at most trainings. All recent SALT graduates are welcome at any technical training unless otherwise specified. No visitors are permitted without advance permission from the Technician Team and in most cases a SAR Deputy. For all trainings: Bring your full rescue pack, helmet, headlamp, gloves, and any technical rescue gear you own. Wear weather-appropriate clothing and be aware of forecast weather conditions. Other gear will be team-provided.

RSVP here: <https://forms.office.com/r/sELH4DzOHL>

Check your email about upcoming trainings and where/when to meet. Contact Sarah T or Richard H with any questions.
