SARCI BOARD MEETINGS

by SARNews, sarcinewsletter@sarci.org

SARCI Board meetings are held at the SARA House at 19:30 (7:30 pm) on the third Wednesday of January, April, July, and October. These meetings are being held in-person and on-line. Ask if you are interested in attending.

SABINO CANYON PARKING

With the electric trams in Sabino, we will NOT be able to leave unattended vehicles at Tram Stop 9. During hours of Canyon Crawler operation, everyone will need to park at TS-8 and be shuttled to TS-9. The ONLY vehicles at TS-9 will be IC and Ops vehicles attended with drivers so they can move as the tram passes through. SPEED LIMIT 15 MPH

EMERGENCY RESPONSE MANAGER HELP

by Brooke Fawcett, Brooke.Fawcett@sarci.org

Questions about how to use all these capabilities - and more - in ERM? Please don't hesitate to contact us!

(Just open your ERM app, click Contacts, and type in "Support.")

Do you know about Mission Data? It can be found by clicking "Responses" and then you'll see the "Mission Data" button near the top of the screen. To add your own information - coords, photos, team updates, etc - click "GPS" from the home screen, and then use the "+" button to the right of "Current Position."

Please enter your certifications in ERM. ERM will automatically send a notice to Records@sarci.org. Note that you cannot upload images/files on IOS or Android devices. On these devices however, at the top of the "My Certifications" page is a "Get Desktop Login Link" button to send a link to your email address. On a computer you can click on this link to open ERM where you CAN upload images/files.

SARA ANNUAL MEETING AND POTLUCK

by SARA President, SARApresident@sarci.org

The first Friday of April is our annual meeting. It is an opportunity to get together, review our year, elect Board members, announce award winners, give special recognition to our members, and highlight some of our specialty teams. The BBQ potluck will start at 18:00 with the meeting to follow at 19:00. Please feel free to bring your family and friends and a side dish to share. Hot dogs, hamburgers, and chicken will be provided by SARA.

MRA Cards for 2025 are now available by request to Records.

ROPE TASKBOOKS IN ERM

by Records, records@sarci.org

Some notes on a common problem I have been seeing –

Since mid-2024 new Rope Skills taskbooks that are tracked and checked off through ERM are automatically entered in your CERTIFICATIONS page on ERM. However, this leaves your old “ROPE SKILLS” taskbook that eventually expires and causes you to show as non-field-qualified (Green).

Rope - Awareness/Topside	03/31/26
Rope - Rappeller (Optional)	01/31/26
Rope Skills	11/11/24

To clear this (i.e. when you obtain an “AWARENESS/TOPSIDE” taskbook):

In ERM go to – LINKS – MY STUFF – MY CERTIFICATIONS

Scroll down to your old ROPE SKILLS entry and select View/Update

Select “Retired” and then SAVE (you can also “Delete” but that will erase history on that cert)

APRIL MONTHLY TRAINING

by Adam Weinstein, adam.weinstein@sarci.org

April’s monthly training will be Off Trail Movement – Saturday April 05 07:00-17:00 at the SARA House

The Off-Trail Movement (Basic) course prepares personnel to navigate difficult terrain safely and efficiently. It covers terrain assessment, environmental hazards, and risk mitigation, including unstable ground, flash floods, and post-fire conditions. Participants learn essential movement skills such as controlled ascents and descents, side-hilling, scrambling, and precise foot placement for stability. The course also focuses on route planning, decision-making, and includes selecting proper gear, packing for balance, and using trekking poles to improve mobility and reduce fatigue in challenging environments.

The first part of the training will be a classroom session followed by practical portion outdoors.

Please dress appropriately for the day's weather. You will need your rescue pack and PPE. Other gear or equipment will be provided. There will be a break for lunch.

This training will be counted as the 'off trail' orange card signoff or if already completed it will count as an 'other' signoff.

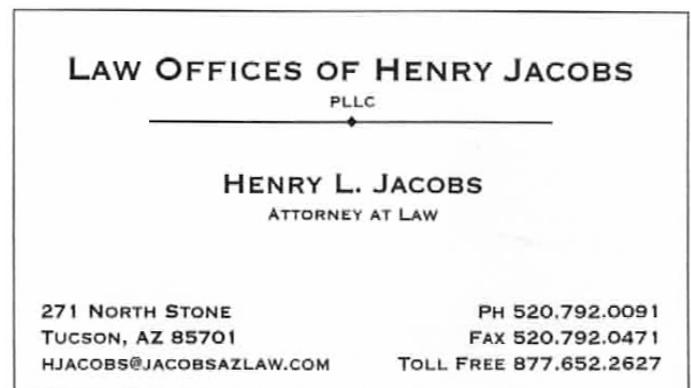

Any questions can be directed to Gen Netter gen.netter@sarci.org or Trevor Dickerson trevor.dickerson@sarci.org

2025 MONTHLY TRAINING SCHEDULE

by Adam Weinstein, adam.weinstein@sarci.org

Monthly training events are typically the first Saturday after the Monthly Meeting, except July of this coming year, which has been shifted to avoid the July 4th holiday weekend. Some are two-part events with a classroom session held the Wednesday prior. Dates and details are being added to the [Master Calendar](#) and will also be sent out by email as each event gets closer. Most monthly training events are open to all SARCI members (but please check with the instructors beforehand). Candidates - the training events that meet a specific **Orange Card** requirement are marked.

January: TV Falls Orientation+Steep Angle (Orange)	July: Leadership & Risk Management
February: EMR Skills Refresher	August: Cave Rescue
March: Land Search	September: Land Navigation & Orienteering
April: Off-Trail Movement	October: SRDI / Flanker Training
May: Summer Skills	November: Trauma & Stress Management
June: Trucks & Equipment	December: Operations & Radio

The 2025 OEC Cycle C Refresher Skills Session has been scheduled for October 18, 2025.

TECHNICAL SKILLS: TASKBOOKS

by Sarah Truebe, sarah.truebe@sarci.org

After the rush of signoffs in October and November of 2024, I'd like to draw everyone's attention to the number of tech taskbooks that expire throughout 2025:

<u>Month</u>	<u>Expiring Taskbooks</u>	<u>Month</u>	<u>Expiring Taskbooks</u>
January	5	July	7
February	2	August	6
March	2	September	6
April	3	October	33
May	3	November	23
June	2	December	2

If your taskbook is one of the 50+ that expire in Oct or Nov, I recommend you turn around a taskbook ASAP and get yourself onto a month with very few other folks asking for signoffs. This will also give you more 1:1 time on the new skills. Great choices to complete a new taskbook are: Feb, Mar, Jun, and December.

Starting in 2025 we may change the way SALT taskbooks expire so that we don't just contribute more and more to the same problem year after year. In the meantime, please consider getting yourself off the "SALT schedule" of taskbook expiration as soon as possible.

Kudos to all the Technicians who helped with signoffs, SALT, and the MRA recert, all at the same time of year. And kudos to everyone who has already completed one of the new taskbooks just implemented last September!

COMMUNICATIONS

by SARCI Communications, sarcicomunications@sarci.org

The FCC rules for communications on amateur radio frequencies (Lemmon, Lemmon Simplex, for example) require any transmission to come from a licensed amateur radio operator and for any transmission to follow the rules for proper identification using an FCC callsign. SARA has licenses specifically for PimaSAR and StateSAR frequencies, but the Lemmon amateur frequencies we use are not our personal domain. Any amateur operator is free to use them. Please be good stewards of these frequencies. Otherwise, we run the risk of losing operating privileges.

Here is a reminder that if you want to use your FCC Part 90 type accepted personal radio on PimaSAR and StateSAR you must fill out and return for approval a Personal Radio Approval form. You can find the form at:

<https://www.sarci2.org/data/221021%20SARA%20NB%20Personal%20Radio%20Form.pdf> (password required)

or by request to sarcicomunications@sarci.org. Please also contact us for referrals on which radios to procure, or any of your communications questions.

2025 TECHNICAL SCHEDULE

by Sarah Truebe, sarah.truebe@sarci.org

Hello all, please look ahead at the 2025 schedule and plan when you will tackle your taskbooks. There are six kinds of technical rope rescue trainings available in 2025:

1. Monthly meetings - all non-field sign-offs
2. * Operations/Teamwork trainings - all signoffs
3. Tower Training - prioritize Tech skills (*orange card signoff available if you own a harness and are on the top of the tower to assist in team operations)
4. * Cliff trainings - prioritize Tech skills and scene size-up in unique training locations
5. * Special trainings (steep angle, minimal gear, cave, etc.) - taskbook signoffs may or may not be available
6. Personal Rope Skills - focus on Rappelling/Belaying, climbing rope, personal on-rope skills (no Orange Card signoffs, but other taskbook signoffs are available)

*The Orange Card signoff (denoted by * above) is intended to have Candidates participate in teamwork/operations, not just work on their personal signoff skills alone. Keep that in mind when you request an Orange Card signoff at any training.*

At these trainings, participants will get a variety of hands-on technical rope equipment and setups. Signoffs are available at all levels of the taskbook at most trainings. All recent SALT graduates are welcome at any technical training unless otherwise specified. No visitors are permitted without advance permission from the Technician Team and in most cases a SAR Deputy. For all trainings: Bring your full rescue pack, helmet, headlamp, gloves, and any technical rescue gear you own. Wear weather-appropriate clothing and be aware of forecast weather conditions. Other gear will be team-provided.

RSVP here: <https://forms.office.com/r/sELH4DzOHL>

Check your email about upcoming trainings and where/when to meet. Contact Sarah T or Richard H with any questions.
